THEME

The Indians living long ago on the American Northwest coast recorded their important adventures and happenings, for themselves and future generations, on poles. The poles, or totem poles as we know them, were carved with strange and beautiful figures representing real people and experiences, with each figure illustrating some story or part of a story.

Armijo has carved a totem pole this year, depicting the story of the 1964-1965 school year and continuing seven main divisions with numerous characters. These basic parts, important by themselves, assume added worth when working together.

ADMINISTRATION and FACULTY work together in directing student activities, organizing school policies and guiding academic achievement.

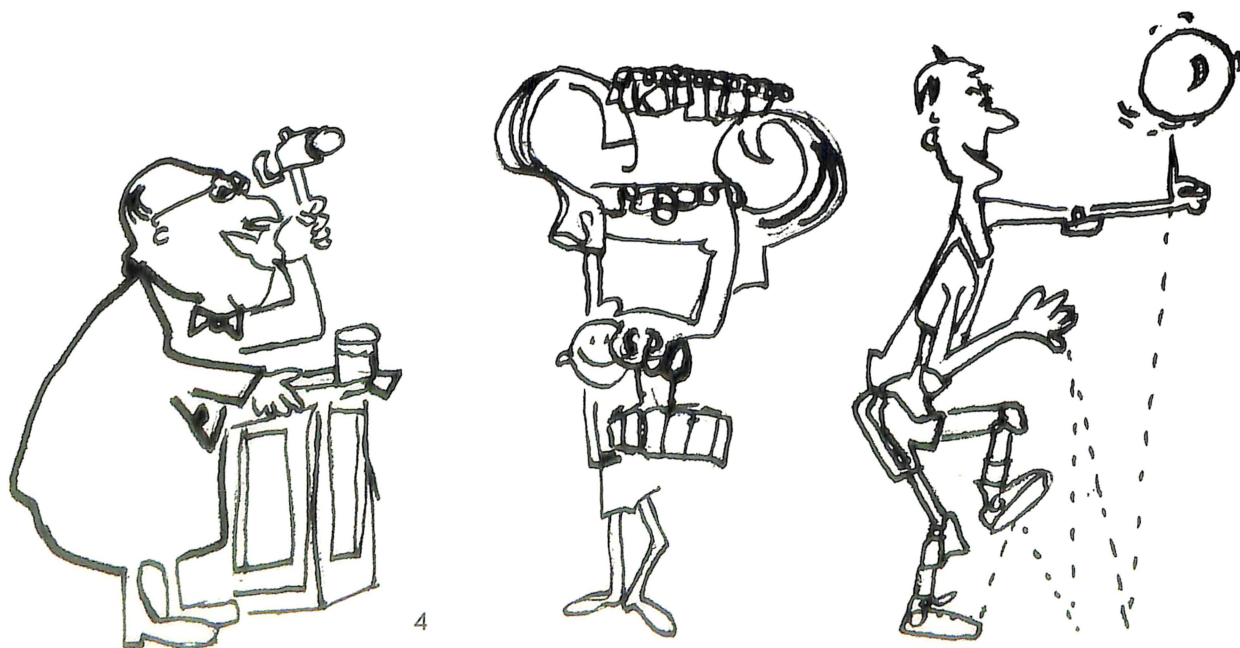

In SPORTS and SCHOOL ACTIVITIES members of Armijo's four CLASSES acquire spirit and learn sportsmanship.

HONORS bestowed upon only a few students throughout the year may be won by any student who meets the qualifications, thereby encouraging student participation in activities and interest in academic achievement.

Providing an opportunity for meeting other interested students, Armijo's seventeen CLUBS teach responsibility and co-operation through projects, field trips, and meetings.

ADVERTISING provides an opportunity for learning business practices and helps pay for the yearbook.

Working together, these seven main parts of Armijo have made this year an impressive one in academics and activities. Hopefully, the totem pole contained within this book will successfully retell the story of this year—for you, now, and in years to come.

I swing before your eyes as a bright dream of color, a symbol of yourself, the pictured suggestion which makes this nation's dreams bright with cheer, brilliant with courage, and firm with faith because you have made them with your hearts.

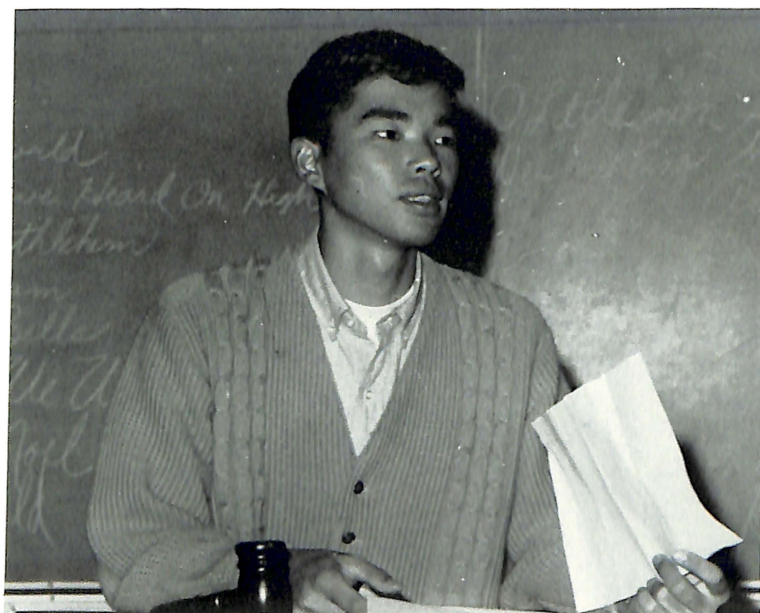

The 1964-1965 LA MEZCLA dedicates itself to those dreams and ideals of the American people which have kept our country a democratic republic: a land of the free.

Forming the base of our totem pole, the ADMINISTRATION and FACULTY exert a steady influence over Armijo and its students. Our administration carries out the policies made by the local school board, assigns teachers and students to classes, and acts as the chief disciplinarian of Armijo's 1886 students. Faculty members spend the majority of their teaching time in the classroom, which is the most important part of high school life. Through the time spent in classes students become better prepared for adult life, while learning how to get along with others. Faculty members also make possible the extracurricular school activities so dear to each student's heart—acting as club and class advisors, sponsors for student activities, chaperones at dances, and competitors during our annual Faculty-Varsity game. Thus, while the administration and faculty do not often stand in the limelight, they do play an important part in our story of this year.

ADMIN FACULTY,

ISTRATION CLASSROOMS

BOARD OF TRUSTEES

Mr. John Lucas, Superintendent

The Governing Board of Trustees of the Armijo High School District are the locally elected state officials charged with the responsibility under the Constitution of the State of California of carrying out the state educational program. Within the bounds set by law, the Board develops policies and makes decisions to set the educational pattern according to the needs and goals of the community. The members of school boards throughout California devote long hours and days to the task of providing educational facilities and personnel to educate our youth, and are to be commended for their devotion and unswerving dedication to public service.

The Superintendent is the executive officer of the Governing Board charged with the administration of the school system in all its aspects in accordance with the policies and decisions of the Board.

Mr. Lucas, Mr. Oliver, Mr. Campi, Mr. Low, Dr. Neasbitt, Mr. Monez.

Eight short years ago the first space vehicle was launched. Now we have photographs of the moon's surface taken from a distance of only three feet, and undoubtedly within a decade man will walk on the earth's planets. This is but one phase of our rapidly changing culture. Over ninety per cent of all the scientists who ever lived are living now. Nine out of ten drugs being prescribed by doctors today were unknown ten years ago. The challenge to the mind of man today is greater than it has ever been. Limitless opportunities abound for exploration, discovery, research, and adventure.

Yes, the tasks facing youth today are great, but the resources to accomplish these tasks stand ready. Among these resources in California is our great public education system, geared and ready to serve the "young minds" of any age from six to eighty. And yet an educational system can only serve as it is called upon by individuals.

So, to the Senior Class of 1965, I give the words of Dr. Samuel Johnson:

"No man has a right to an opinion, but
Every man has an obligation to become informed."

Continue your education throughout your lives; become informed; and build the "Great Society" of free men on earth, and in the heavens of tomorrow.

Mrs. Nichols, as secretary to the principal, Mr. Mathews, handles all correspondence, keeps all administrative files, makes all appointments for Mr. Mathews and is the receptionist in the main office. Mrs. LaFrance, secretary to Mr. Greiner, aids in data processing, and scheduling substitute teachers. Mrs. Sayre operates our busy PBX switchboard, handling both incoming calls and the intercommunication system. Our school treasurer, Mrs. Dodini, acting as a one man bank, deposits and keeps records of all club and class funds, as well as the general fund. She also serves as secretary to Mr. Bushey, Dean of Students.

Mrs. Taylor, as secretary to the counselors in this busy office, must maintain accurate grade records for each member of the student body, register new students, and it is Mrs. Taylor who sends senior transcripts to the college of their choice.

Mrs. Gleim and Mrs. Schoffstall, under Mr. Waters direction, take care of all attendance records, quarterly federal reports, and compile daily absence lists, as well as the delivery of messages, forgotten lunches, and management of the "lost and found" department.

Mrs. LaPlace, secretary to Mr. Lucas, maintains correspondence and takes minutes at the board meetings. Mrs. Battelle, head bookkeeper, and Mrs. Uchishiba handle payment of the bills, payroll checks, and the keeping of accurate financial records for our school. Each of these women has a part in maintaining the efficiency of our administrative branch and contributes to the quality of the education offered by Armijo High School.

Mrs. Sweeny, formerly secretary to Mr. Greiner, now serves as secretary to Mr. Tracas, Principal, of Fairfield High School.

Mrs. Battelle, Mrs. Uchishiba, Mrs. Sweeny, Mrs. LaPlace, Mr. Callisan

This year, 1964-65, marks a milestone for the Armijo High School. It is the last year that all of the students of the district will be enrolled in one school. Regardless of our mixed emotions at this milestone, it is progress and we wish the students of Fairfield High School success. We encourage them to compete with us in a race for excellence. Excellence in scholarship, citizenship, athletics and other worthwhile activities.

It is my hope that all the students of this district will continue to follow the high standards that have been set in order that they may achieve the recognition that is available for those willing to put forth the effort necessary for success.

David G. Mathews

Mr. Bushey

Dean of Students, Mr. Bushey, handles all of the disciplinary problems within the student body. In this office may be found the dreaded "hot seat". As director of Student Activities, Mr. Bushey works with student leaders to schedule all extracurricular functions. He also co-ordinates the athletic schedule, approves everything posted in the halls, and has charge of assigning chaperones for our numerous events, besides serving as adult advisor to the Student Council.

Supervising the endless job of data processing—the method by which our individual schedules, grade reports, and other lists are compiled—is the primary duty of Mr. Greiner, our vice-principal. His other duties include making and maintaining the "Course of Study" booklet, (outlining course requirements and aims), compiling the curriculum guide, and finding substitute teachers when necessary. Mr. Greiner also participates in evaluating Armijo's teaching staff through classroom observation. His interest in members of the student body is evident through his participation in the Key Club.

Mr. Greiner

Mr. Waters, Director of Attendance, verifies absences, makes sure all students are in class, sends in the quarterly federal reports, and with his secretaries, controls all attendance. Mr. Waters also teaches two classes a day in the Business Department.

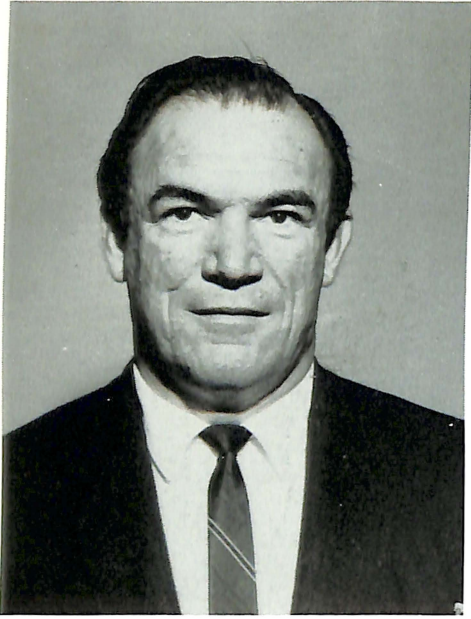

Mr. Tracas

Mr. Tracas, well known at Armijo, has recently been named principal of the new Fairfield High School. We on the La Mezcla staff wish him the best of luck with his new job.

Graduation, employment, scholarships, information, placement testing and class scheduling compose the basic function of our counseling staff. We are indeed fortunate to have such an interested and well-trained group to assist us.

Not only do students seek "help" from this busy office but often teachers find solace and understanding here.

It is always gratifying to know that qualified personnel are willing to answer questions and meet problems objectively.

The principal objective of this staff is helping the individual better understand himself.

As the world becomes smaller and travel more accessible, the need for language increases. Armijo's Language Department is currently meeting this need through instruction in the five primary languages—French, German, Spanish, Russian and Latin.

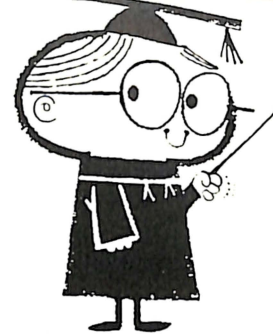

Ethics, values, customs and geography as well as the grammar and vocabulary of the countries are presented with the aid of texts, tape recordings and films.

Using the audio lingual approach, students are expected to gain a certain degree of fluency with basic sentence patterns reinforced in the R.C.A. equipped language laboratory.

With four years of French, Spanish and German, three years of Latin, and two years of Russian taught this year, Armijo's students may gain proficiency in their chosen language.

English, a universal instrument of communication, makes multiple demands on nearly all Armijo students. Curriculum requirements include interpretation of literature, thoughtful expression of ideas through compositions and the fundamentals of grammar. Developmental reading concentrates on comprehension, speed, and vocabulary.

Journalism, encompassing the newspaper and yearbook classes, challenges the initiative and creativeness of students, through the publishing of the school newspaper and yearbook. Remedial English is also included in this department. The Advance Placement English class, open to recommended Seniors only, stresses analysis in depth of selected works, including Greek plays. College credit may be earned through testing at the end of the year for this class.

Students become better prepared for life and further schooling through the organization and expression of original ideas and detailed analysis of other works as they progress through the sections of our English department.

MATHEMATICS

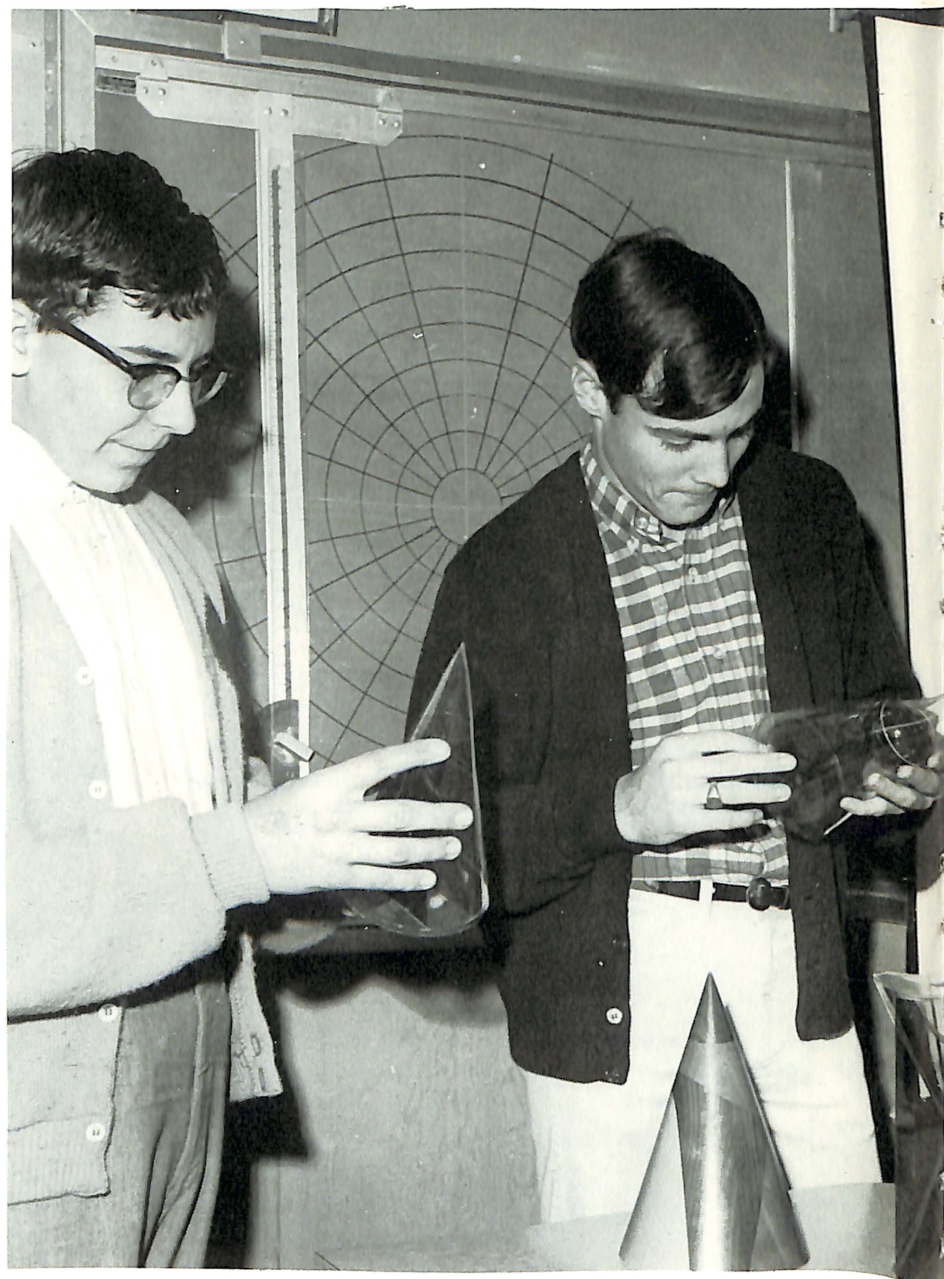

Mr. Leon Neasbitt
University of Oklahoma
B.A., M.A.

Mathematics being regarded as "Queen of the Sciences" offers a challenge to all students.

Through the principles of math and science, the earth has shrunk to a small fraction of its former size. Training students in a science and math program includes such courses as Algebra I, II, a study of literal numbers and their application, combined geometry, an accurate study of size and shape, while trigonometry deals with triangles and their relationships, and terminated with analytical geometry.

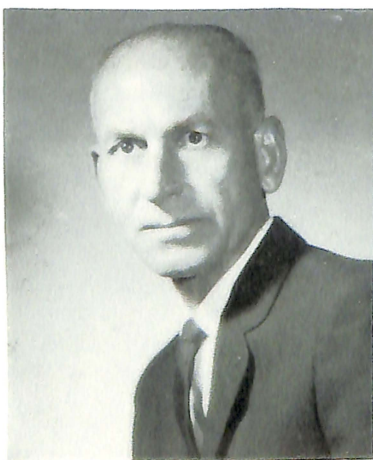

Recently instituted in Armijo's Mathematics Department is the SMSG, School Mathematics Study Group, widely used in progressive schools throughout the United States. This modern math program requires more thinking on the part of the students as they must develop concepts for themselves. Ranging from general mathematics to the accelerated program, this department stresses the importance of Mathematics—the key to the universe.

Tools, Materials and Processes of Industry create the technical courses offered by the Industrial Arts Department. Students learn to apply critical thinking and basic skills through experience.

Woodworking and Metals are semester courses involving safe working habits, identification and use of tools, and project construction, electrical repair and residential wiring.

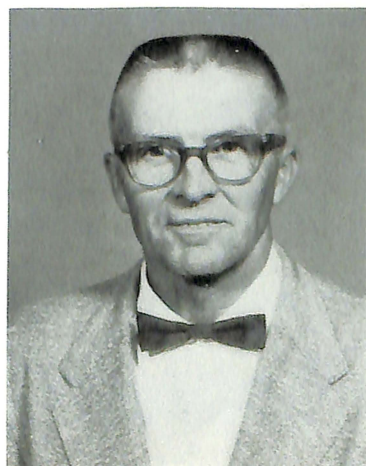

Working on component parts of the internal combustion engine comprise the Power Mechanics curriculum.

Mechanical Drawing includes designing, drawing, and planning with visualization and exactness. Practical application of these skills offered in a second year course renders architectural drafting, and methods in house construction.

Agriculture classes stress the mechanical skills needed for farming.

Students in the chemistry classes learn through actual experience in the laboratory, many of the fundamentals employed in that science. These individuals, in Mrs. Kleinkauf's class, look no more befuddled than the average chemistry students, but experience is a great teacher.

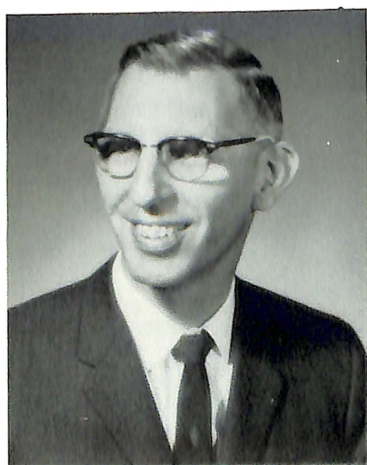

Science, the main source of progress today, occupies a place of special importance on our campus, with forty-four classes now being taught. In this department, the goal is to give students an understanding of the basic aspects of the physical and scientific world through lectures and experimentation.

The B.S.C.S., Biological Sciences Curriculum Study, program designed for Biology and, the C.H.E.M., Chemical Education Material Study program designed for chemistry presents both as experimental sciences. The P.S.S.C., Physical Science Study Committee, through its emphasis on laboratory experimentation and analysis seeks to encourage the students spirit of inquiry.

Further opportunity for experimentation is offered, for the first time this year, through the Advance Science Research class which meets after school once every two weeks. During the school week participants act as laboratory assistants in the science department. Regular credit is given for this class.

These courses offer Armijo's students a better understanding of life and matter and an idea of the complexity of our universe.

Every Armijo student will take at least one Business course during his or her stay at Armijo. Economics is required of all students in the Senior year. In addition, most students (about ninety percent) elect to take Typing for its personal value or as an occupational tool. Other very popular electives in business are bookkeeping, general business, law, and shorthand.

The major purpose of Business Education is to provide the knowledge every person needs to manage his own personal business affairs and to understand the structure and the operation of our business and economic system well enough to perform the duties of a good citizen. About half of all students at Armijo will make their life's work in some phase of business endeavor. For these people Armijo offers a wide range of occupationally centered courses. New programs are available to allow the student to work part-time, be paid and receive high school credit for this work.

With the mounting scarcity of business management and office workers, the need for high school trained students is expected to increase. The Armijo program also offers a college preparation program for those who are interested in the advanced programs at the college level.

"The Home is the Core of Democracy" represents the theme of the Home Economics department.

The curriculum of this industrious department covers dressmaking, meal planning, personality development, nutrition, child care, home nursing, interior decorating and health and safety in the home. During the four year program, students also learn about marriage and family relations. The word economics is derived from Greek history meaning "Home Management". Girls today are trained in the skills of home management, which will help them prepare for adult life.

The Social Science Department sets its goal at developing future citizens in an ever changing world.

World History is a study in relationships between man and his cultural environment.

Juniors make an extensive survey of United States History developing into the social, political and economic heritage of our nation.

Seniors cap their social science programs with an examination of the problems of American Government and Economics, which includes an excursion into state and local governments.

A college-level course in American History, advanced placement, has been offered to exceptional students.

The popular elective courses, California History, Psychology and Philosophy round out social science studies, all designed to enlarge the students' outlook, increase their understanding and knowledge, and lay a worthwhile foundation for further study.

ART AND DRAMA

Miss Mary Pedri
Department Head
San Jose State
A.B., M.A.

"Appreciation of art in every day living", one of the main goals of Armijo's Art classes, is conveyed to students through the viewing of good art, constructive criticism of others' work, and laboratories for practical experience.

Painting, drawing, figure drawing, and other forms of art help students express their ideas logically in art, and learn the principles of design.

While not required to do extra work, many of the art students participate in the Art Bazaar and the murals found in several places on our campus were done by art students. The Breuner's exhibit is this year's main project.

Certainly Armijo's most stimulating department is Physical Education. Individual and team sports, included in the required four year program for both boys and girls, present the chance for students to develop not only skills, but co-operation and sportsmanship.

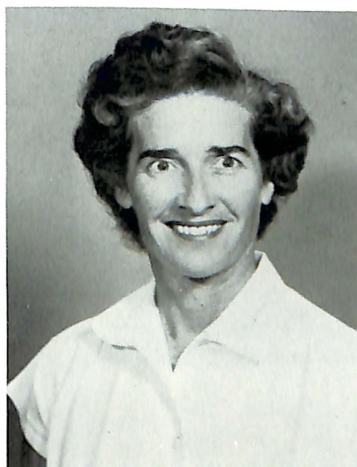

This department stresses its prime objective, physical fitness for boys and the "carry-over" value of the sports offered for girls, through a program especially designed by the Physical Education staff.

A special program for the handicapped is also offered which includes special exercises and for boys phases two and three of the Canadian 5BX program.

Outstanding, because it is new, is the girls program of track and field — containing low hurdles, sprints, distance runs, and intra-class track meets. The balance beam in the gymnastics section, also new, requires, as its name implies, a great deal of balance and coordination.

LIBRARIAN

Mr. La Plante serves as our librarian, maintaining the many teaching aids used in various classrooms throughout Armijo. As our librarian he not only picks out books for the students enjoyment, but orders the special books used in teaching government and other classes. Responsibility for the films and film strips shown in each class, also rests with Mr. La Plante, whose aim is to broaden the students literary horizon.

Mrs. Stevens, the Library clerk, acts mainly as a supervisor of the student workers, teaching them correct library procedures through everyday practice. Mrs. Stevens, also, aids Mr. La Plante in the distribution of textbooks, and the collection of same, at the beginning and end of the school year.

NURSE

Mrs. Arvin, our Supervisor of Health, handles an unbelievable amount of traffic each day with sick and injured students seeming to spring from the walls.

Mrs. Arvin's duties as a nurse—a full time job—are supplemented by selection of student workers for the cafeteria, running a taxi service for ill and suspended students as well as being in charge of caps, gowns, and line-up positions for the commencement exercises at the end of each year.

Mrs. Arvin has her P.H.N. (Public Health Nurse) and Child Welfare Credentials and feels that "After one-hundred years, I know all the tricks of the trade."

SUPERVISORS

Mrs. Hanniman, Mr. Dougherty, and Mr. Brimberry, the three supervisors seen at various times around our campus, are a new innovation intended to free Armijo's teaching staff from duties in the lunch room, library, and halls.

Mr. Coleman, Building Maintenance Supervisor, as head of the custodial staff, plans, organizes, co-ordinates, and supervises the maintenance, custodial and grounds keeping operations of the school district. Assisting also in the inspection of construction projects, and performing or supervising other work as needed. Mr. Coleman successfully meets the requirements of his demanding job of maintaining the efficiency and attractiveness of our campus.

Mrs. Hayes, Mrs. Webb, Mrs. Coppock, Mrs. Fritz, Mrs. Bristow, Mrs. Lunch, Mrs. Cannon

Our bus drivers are charged with safely transporting students to and from school, to and from athletic contests and on occasional field trips. Along with these duties the bus drivers are kept busy by running busses to and from the new high school for the Freshmen.

Mr. Call, Mr. Soriano, Mr. Lee, Mr. Staples, Mr. Elliot, Mr. Stultz

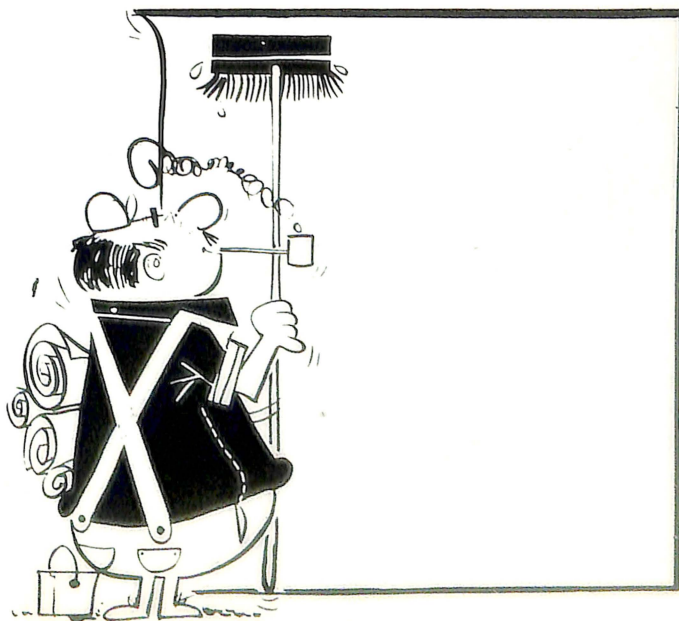

Mr. Zych, Mr. Byrne, Mr. Bell, Mr. Scoggins, Mr. Rubio, Mrs. Fortney, Mrs. Downey, Mr. Collins

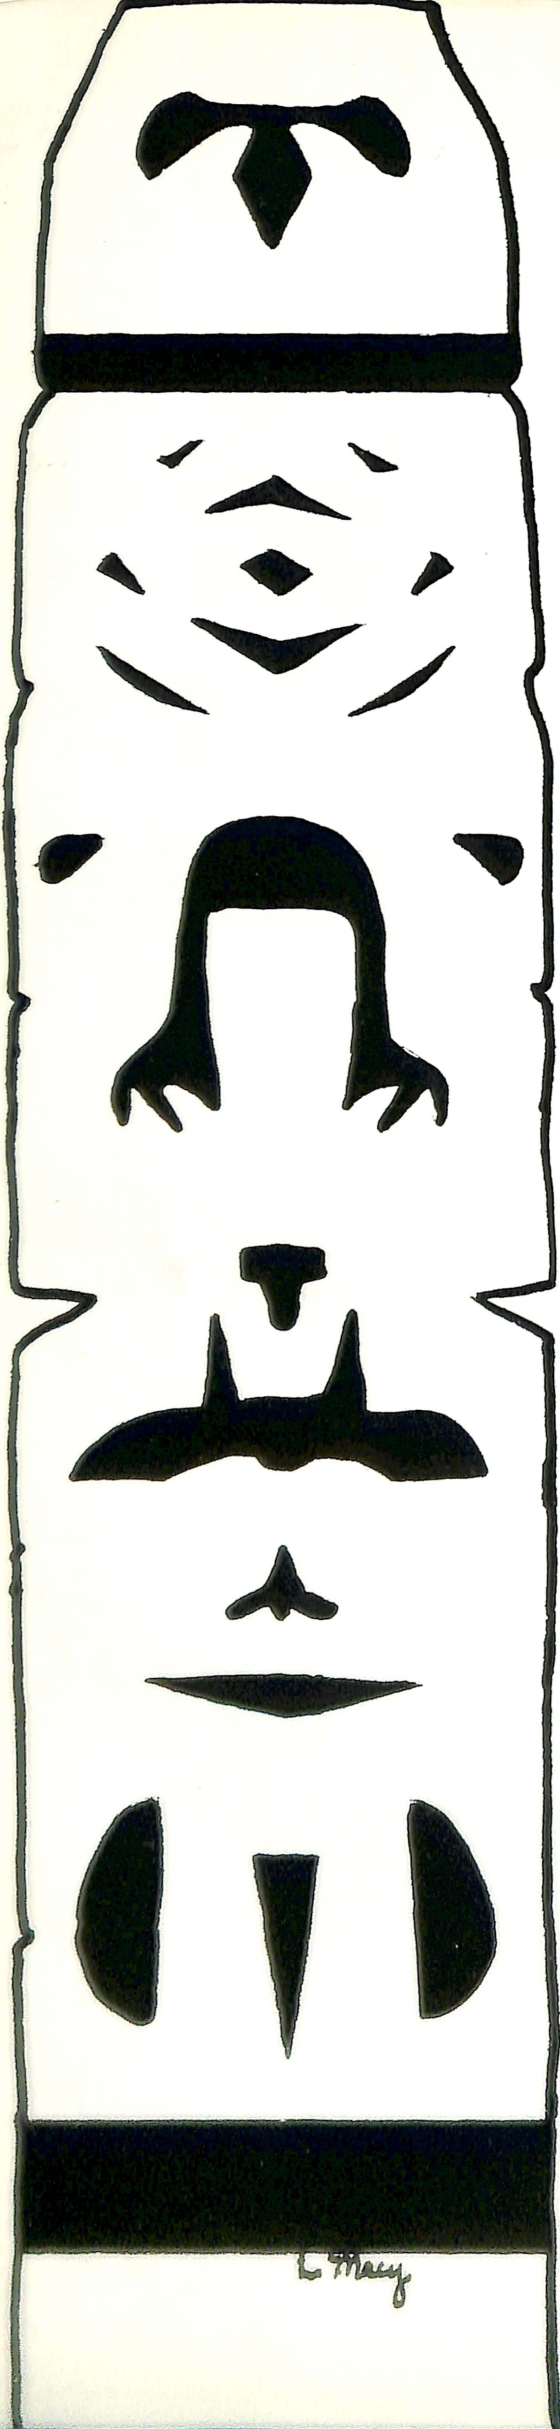

Responsibility for the well rounded hot meals served in our cafeteria rests with the women who staff our cafeteria. These women also serve the food to both teachers and students, and are responsible for getting the many, many trays washed and put away afterward. Lunch would be mass confusion without the kitchen staff.

Mrs. Barrett, Mrs. White, Mrs. Richardson, Mr. Rivera, Mr. Scholl

The custodial staff, consisting of both a day and a night crew keep Armijo's buildings and grounds in working order. These gentlemen among many other jobs pick up our litter, set up the seating for our rallies and, often, find the ways to make our weird ideas for floats and dances work—this besides being plumbers, electricians, carpenters and general maintenance men.

Containing collectively 1886 members, Armijo's spirited, co-operative and competitive student body are the all-important characters in the story of Armijo High School.

The SENIOR class, believed to be the most important class, at least by the seniors, has special privileges and responsibilities. Special tables for lunch, a senior patio, the senior banquet, graduation exercises, and the popular all-night party are a few of the privileges. Senior responsibilities include setting a good example for the other students, filling the executive positions in the Student Council and fulfilling the particular requirements for graduation.

JUNIORS, anticipating their year as seniors, worry about completing requirements for their majors, participate heavily in extra-curricular activities, and sponsor the Junior-Senior Prom.

SOPHOMORES, gaining heavy academic responsibilities, must also stage the Sophomore Hop in the spring, among other social activities.

FRESHMEN, the brunt of most high school jokes, bear the attacks with good humor, and, remembering that they, too, will become seniors, adjust rapidly to their new role as members of a high school student body.

While the individuals from each class will debate the relative merit of the others, the total value of our student body goes beyond measurement. Together these four classes represent the strengths and weaknesses, the successes and failures, the heart and soul of the Armijo totem pole.

CLA

SSES

SENIORS

In the fall of 1962, we entered Armijo—550 strong. We were offered a six or seven period day, a split lunch and many one semester elective courses. Although we had a short Christmas holiday, it was compensated for by a June 1, closing date.

Our ability to choose leaders was seen in the election of our class officers: Stan DeVaughn, president; Valeri Ventimiglia, vice-president; Lynn Tomasini, secretary. Claudia Hom, Sherry Hunt and Nina Vechionne served as our spirited freshman cheerleaders.

In our first attempt at the Frosh-Soph Scramble, we bowed to the more experienced sophomores.

Entered by our class, was the purple and gold rocket, "Send 'Em," for the Homecoming festivities against Vacaville. This was the first Homecoming Armijo had won since the event started in 1956. Mary Jo Baldetta attended Homecoming Queen, Jackie Bird, as the freshman attendant. Later in the year, Janice Darnell served as freshman attendant in the court of Basketball Queen, Bonnie Marshall.

This year also brought us in contact with foreign exchange student, Mehmet Artun of Turkey.

The talent show that year "Night Club" was filled with a variety of acts and even though we were unexperienced, the show proved a great success.

Our Sophomore year promised to be great and it was, with Gary Ichakawa, Ginny Nicol and Melissa Evans leading the way as our class officers. Junior varsity cheerleaders were Janice Darnell, Claudia Hom and Mary Morris.

In October we entertained the school with our talent show "The Rickey Rat Club" and in the following month "Cage 'Em," our Homecoming float, complete with a "live" wildcat, took first place in class competition. The class showed even more enthusiasm as we won the trophy for best class spirit.

Val Richardson was elected attendant in the court of Judy Emmerson, Homecoming Queen, and in the spring, Sandy Nygard was chosen sophomore attendant to Basketball Queen, Pam Warney.

"Through the Looking Glass" set a mood of fantasy for our annual Sophomore Hop.

This was the year of the "bomb scare," our last two weeks being cluttered with more timely scares than most like to remember.

As juniors, and new upper classmen, we elected Charlie Caruso President, Mike Owens, vice-president, and Kitty Ehle, secretary. The mascot position was held by Carol Price, who did a great job of promoting spirit between our student body and opponent schools. That year Armijo saw one of its finest Pom Pon groups—Rosemary Bakke, Mary Jo Baldetta, Ray King, Ginny Nicol, Sandy Nygard, and Val Richardson. These girls were honored that year in accompanying the band, for the first time, on its trip to Long Beach for the All Western Band Review.

Juniors were all aglow as they proudly displayed their class rings which were received before Christmas.

Janina Scally, an outstanding member of our class, represented Armijo at Girl's State that year.

Bonnie Gentry, Secretary; Paul Brimberry, President; Linda Lewis, Vice President

1965

"Indians on Top," our entry in the Homecoming float competition made a fine showing, and Janet McGinnis served in the court of Homecoming Queen Bonnie Black. During basketball season, Ann Ragsdale was crowned queen and Deane Towne was elected junior attendant.

After several previous defeats, the Varsity downed the Faculty in the "Big Game," 54-52.

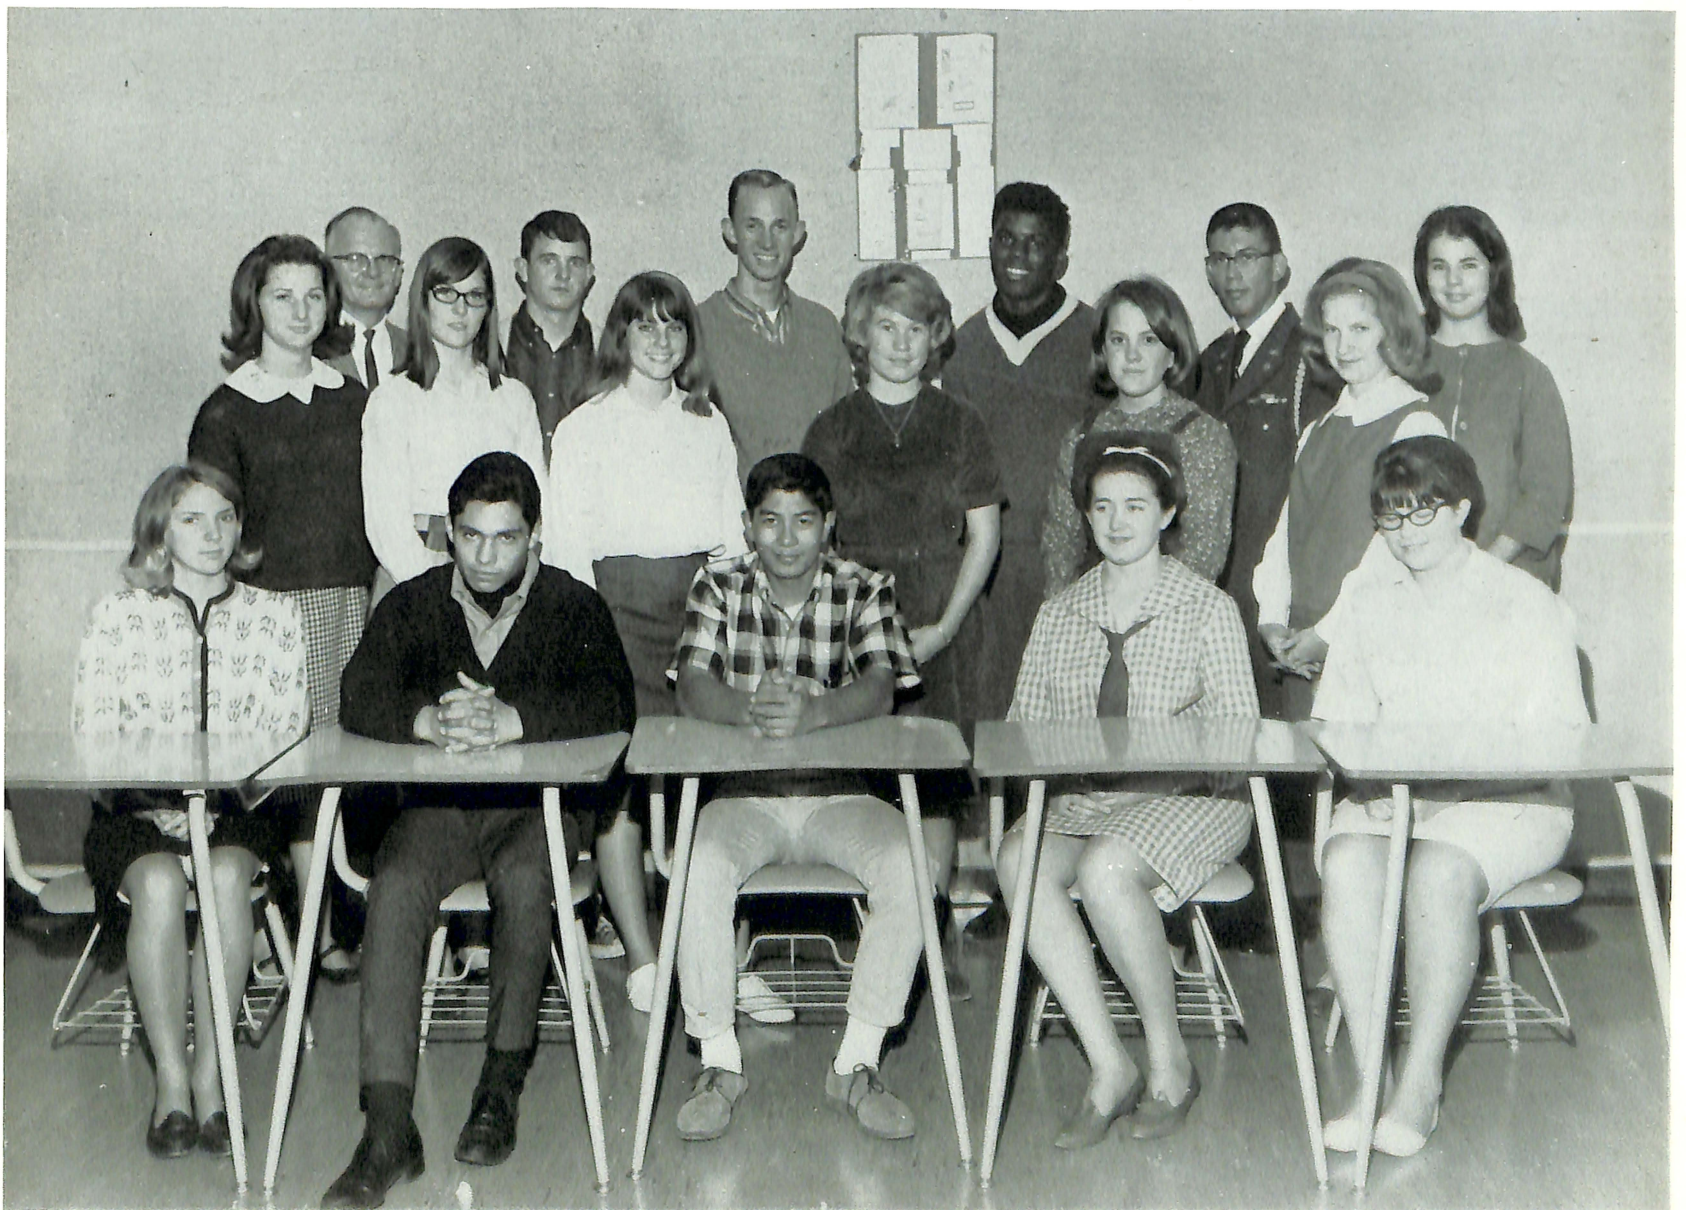

The big event of the year, the Junior-Senior Prom carried out the theme "Blue Cotillion" while honoring the class of '64.

Sport fans cheered as the Varsity Basketball team captured the Golden Empire League Western Division Championship. This was Armijo's last year in the G.E.L. for the following year we were to band together with old and new schools to form the Delta League.

At last our SENIOR YEAR has come with many plans and decisions being made. Behind us now are Senior Skip Day, the Senior Banquet, the Senior Tea, GRADUATION, and the All Night Party, while before us may be found college, careers and marriage.

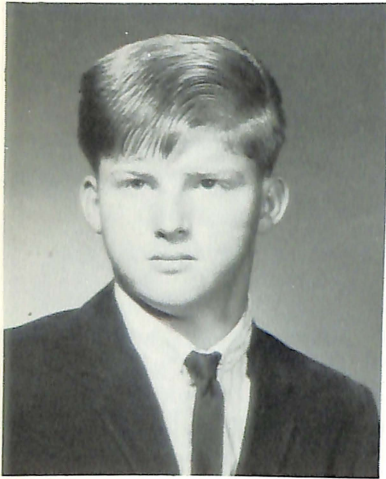

In conclusion, our four years of high school have been composed of loyalty, leadership, spirit, disappointments and rewards that have better prepared us for the future.

JUNIORS

'66

Juniors have reached a new phase of high school life. No longer are they underclassmen. Their leaders are Dan Thompson, Joan Smith, and Joan Kyle. Leadership duties kept them busy attending student council meetings and conducting their own class meetings.

Each year the junior class sponsors the Junior-Senior Prom, held in May.

Pom pon girls, Linda Bautista, Sharon Ackley, Maureen Church, Patty Passenando, Shirley Harada, and Connie Moy, and Mascots, Chris Olsen and Helen Beltran promote school spirit with their many routines at rallies and half times.

The juniors next year will lead the Armijo classes and their readiness and responsibility has been shown through their many achievements of this year.

CENTRAL O M M I T T E E

The Junior Central Committee plans the Junior-Senior Prom and narrows the selection of class rings for a class vote. This committee functions as the Senior Central Committee does in making decisions for the Junior class as a whole.

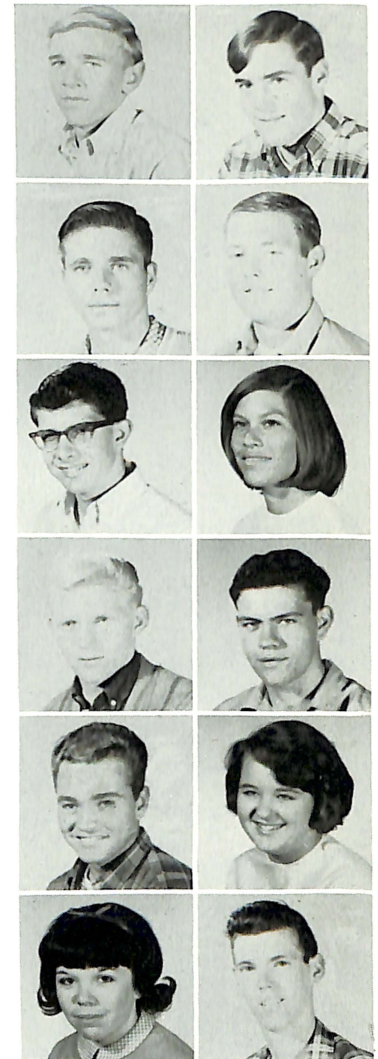

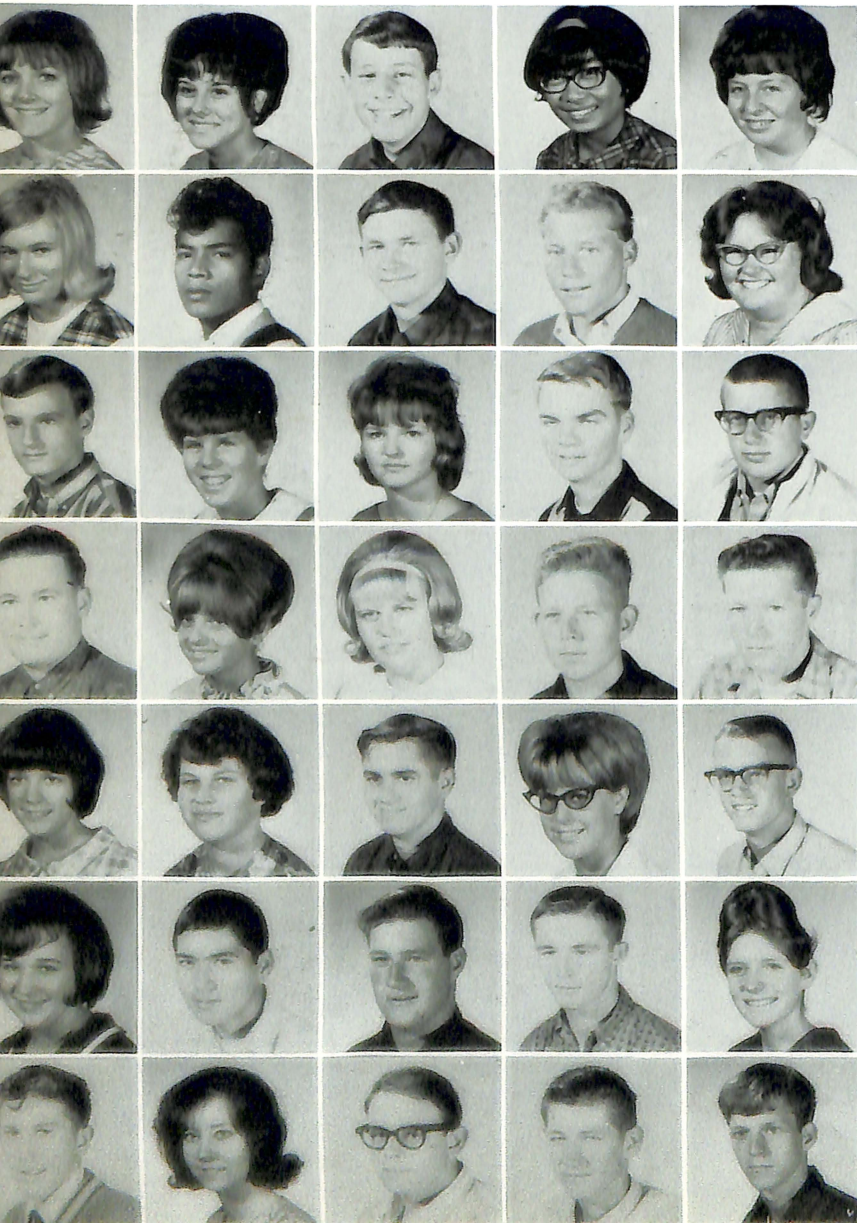

Row I: Linda Haines, Vicki Hannes, Chris Almany, Barbara Jordon, Tim Dowling.
Row II: Joan Kyle, Glenda Widner, Kathy La Plante, Kathy Keeler, Helen Beltran, Donna Noakes. Row III: James Shumway, Chris Olson, Jeanine Baird.

SOPHOMORES '67

A black and white photograph of three young women sitting at a wooden picnic table outdoors. They are all smiling at the camera. The woman on the left is wearing a dark sweater over a collared shirt. The woman in the middle is wearing a patterned blouse. The woman on the right is wearing a light-colored sweater with a large white bow at the neck. They are sitting in front of a building with a large tree to the right.

Sophomores, or as the Greeks would say "wise fools," find that their second year status in high school takes away the freshman fear and gives the members of this class new confidence. No longer do crowded halls and rushed lunch hours send them into a state of mass confusion.

Daun Conger, president; Kathy Herbert, vice-president; and Cheryl Reynolds, secretary, head the sophomore class as representatives in Student Council and conduct class meetings. They are also responsible for the organization and presentation of the Sophomore Hop, held annually in the Armijo gymnasium.

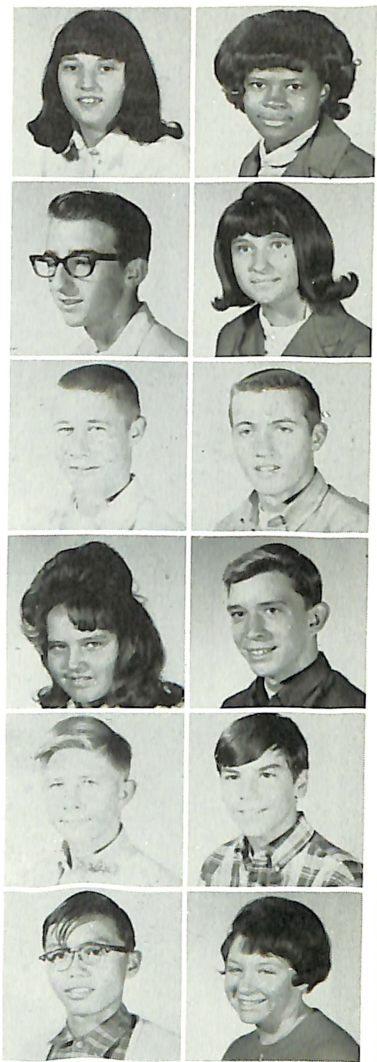

The "wise fools" are now looking forward to next year, when they will be upper-classmen.

FRESHMEN '68

Shannon LaPlante Secretary Richard Boyd President Janine Nordeen Vice President

Freshmen have many new experiences to encounter as they enter the world of high school. On Orientation Day they all seem to suffer from the same problem—"Which way do I go?"

On September 10, school opened officially and the freshmen met with another phase of high school life — upperclassmen. However, both groups adjusted and freshmen were soon electing their class officers; Richard Boyd, Janine Nordeen and Shannon LaPlante. The leadership and organization of the freshmen class showed in the fine float the class presented for Homecoming. Freshman cheerleaders, Barbara Macy, Susan Imboden and Cindy Hall, promoted class spirit as they cheered frosh teams on to many victories.

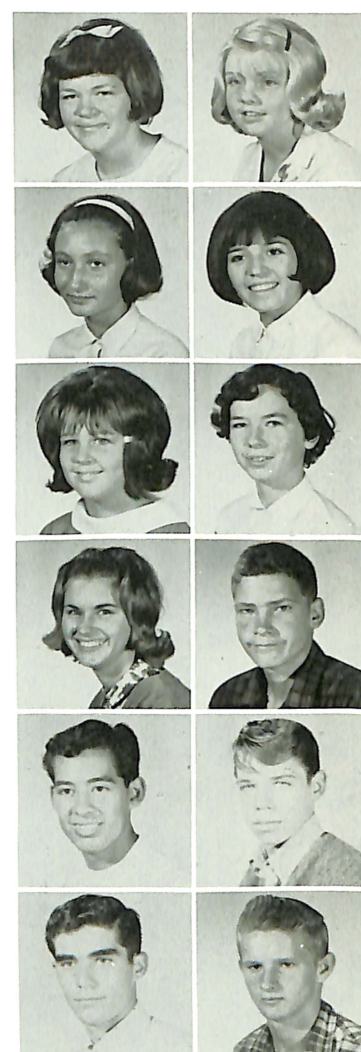

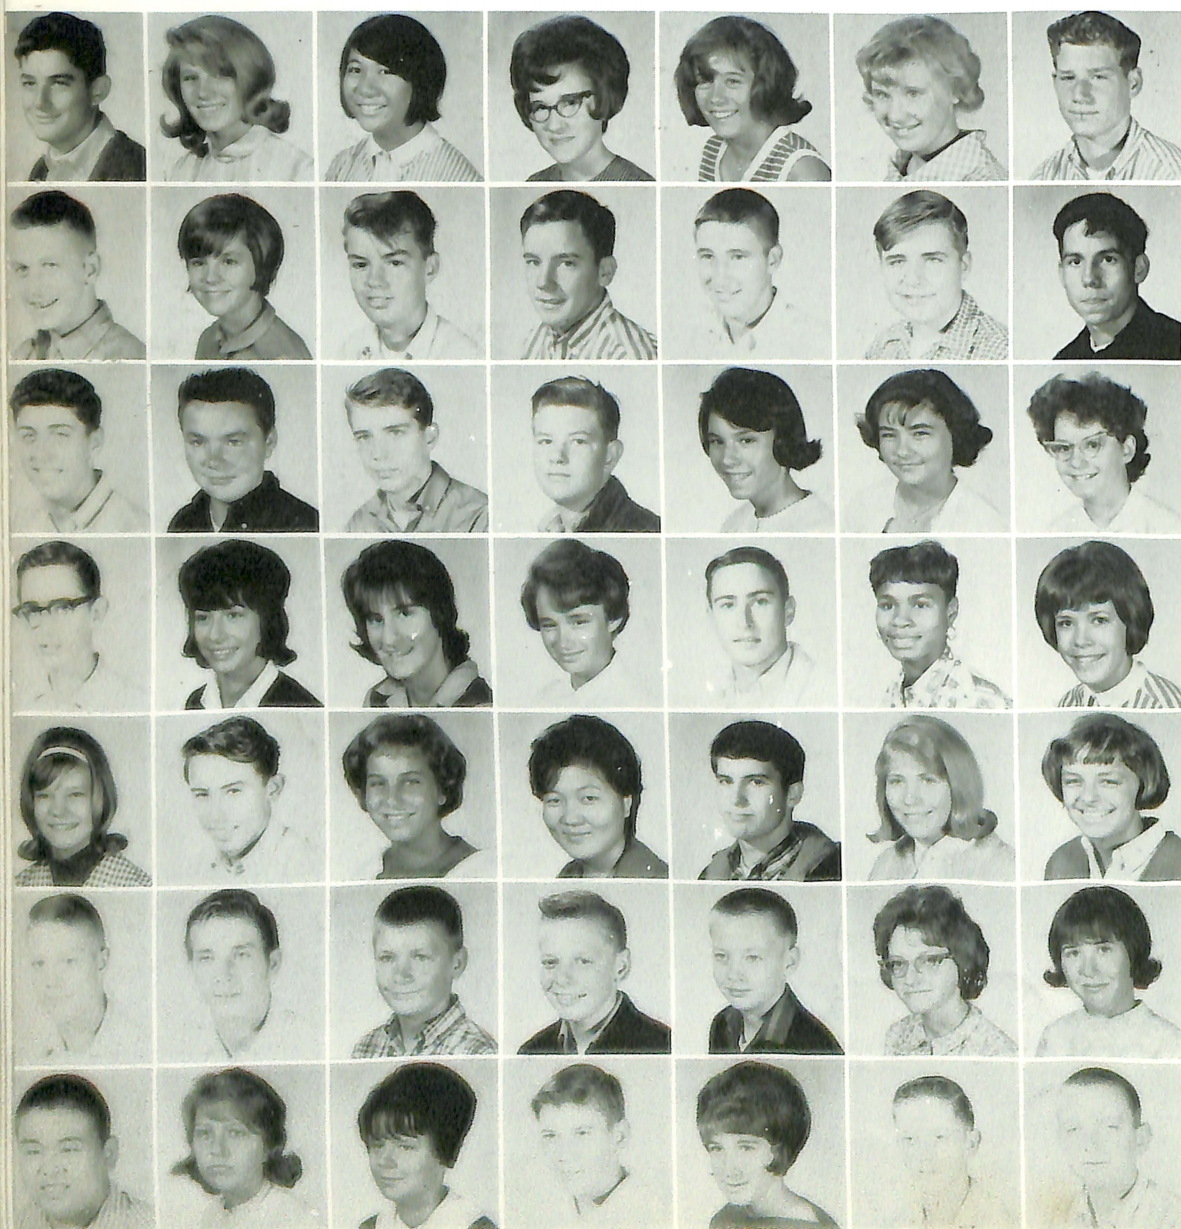

With a successful year behind them, the Freshmen have three more years at Armijo to look forward to.

Armijo's seventeen clubs, with their variety of goals and activities, provide an opportunity for acquiring further knowledge in diversified fields through trips, discussions and guest speakers, as well as a chance to meet other students interested in the same subjects.

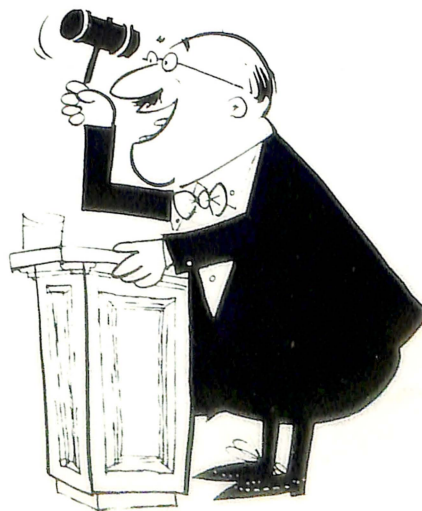

Armijo's organizations date back as far as the 1900's with Student Council, and through the years the number has increased with amazing rapidity, adding this year Pep Club, Photo Club, and Chess Club.

The development of our clubs has gone hand in hand with Armijo's growth and plays an important part in the story of this year.

UBS

LANGUAGE CLUB

1st row left to right: Ruth Hawkins, Carol Ernest, Raeleen Hardenburgh, Roy McKenzie, Ken Kerr, Vic Grindle, Pat Goodman, Mr. Kerch, Mr. Bourdon, Mrs. Harvey, Miss Lopez; advisors. 2nd row: Sandy Lockwood, Janet Kilgore, Diane Connerly, Sharon Hentzen, Laura Hargis, Gloria Flores, Cecilia Kazenic, Mary Azavedo, Linda Auld, Geri Stemmeler, Cindy La Croix. 3rd row: Sonia Quintyne, Michelle Berger, Pete Perrone, Barry

Jones, Bill Fulk, Tom Adler, Reed Yoder, William Sierra, Ruth Biggs, Lori Gribble. 4th row: Lora Backus, Barbara Lai, Lynn Tomasini, Marion Wright, Debbie Cooper, Janice Mott, Louise Young, Joyce Bautista, Cynthia Chadbourne, Birdie Conean, Kay Donahue. 5th row: Nancy Barcelo, Ann Vest, Ellen Jackson, Virginia Hernandez, Carol Watson, Evelyn Shelton, Sub Reguera, Lynne DeTar, Bonnie Gentry, and Jane Perlman.

The Language Club, through its study of the cultures of foreign lands, hopes to foster an interest in studying languages and to provide fellowship and interesting activities for language students. Some of these activities are the Christmas party in December, meetings and a field trip in the spring.

The club this year encompasses five language groups: Spanish, French, German, Russian and Latin. Mr. Bourdon serves as advisor.

SCIENCE CLUB

Seated: Mrs. Kleinhauf, Carol Watson, Mr. F. Lee Brown, April Coleman, Judy Ichikawa, Karen Ridenhour. Standing: 1st row left to right: Kay Lear, Pati Pate, Joyce Bautista, Jim Yee, Ruth Hawkins, Edwin Osada, Jane Perlman, Buron Yee, Priscilla Grace, Minnette Miller, Diane Davis, Jeannie Peigel, Sherry Dame. 2nd

row: Linda Lewis, Diane Walsh, Pete Perrone, Larry Brown, Carol Ernest, Raeleen Hardenburgh, Arlee Monson, Glen Graber, Pete Underhill, Carl Kolbert, Bill Fulk, Randy Dexter, Pete Hartquist, Harold Starling, Roy McKenzie, and Marc DeSplinter.

The Armijo Science Club, a member of the Science Clubs of America, has set its goal as increasing scientific interest and knowledge in its membership. Activities this year include field trips and guest speakers. On the fun side, the club constructed a float for the Homecoming competition.

The annual Science Fair, open to any interested student, is sponsored by this club, with members responsible for publicity, securing qualified judges, and awarding the prizes. Supervising the activities of this busy club is Mrs. Kleinkauf.

MATH CLUB

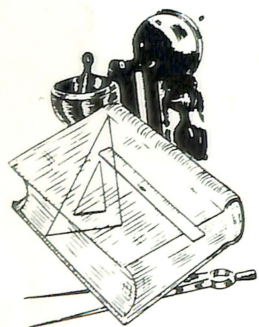

Armijo's Math Club has been actively working to develop and maintain a high degree of student interest since 1957, with Mr. Nesbitt serving as advisor this year.

This club meets only on call and the year's activities include sponsoring an elementary school math contest, to stimulate interest at the grade school level, field trips and guest speakers. Participation in the Napa-Solano County Math Field Day is designed to increase student interest through application.

That they are successful may be seen in their membership.

1st Row: Carol Watson, Minnette Miller. 2nd Row: Jane Perlman, April Coleman, Kay Lear, Steve Nakamura, Andy Matsuda, Marc De-Splinter, Ned Brown. 3rd Row: Gary Ichikawa, Louise Young, Roy McKenzie, James Yee, Bill

Fulk, Jeannie Reigel. Standing: Judy Ichikawa, Larry Brown, Priscilla Grace, Diane Walsh, Karen Ridenhour, Peter Perrone, Linda Lewis, Sheri Dame, Ken Kerr, Mr. Nesbitt, Mr. Bauer.

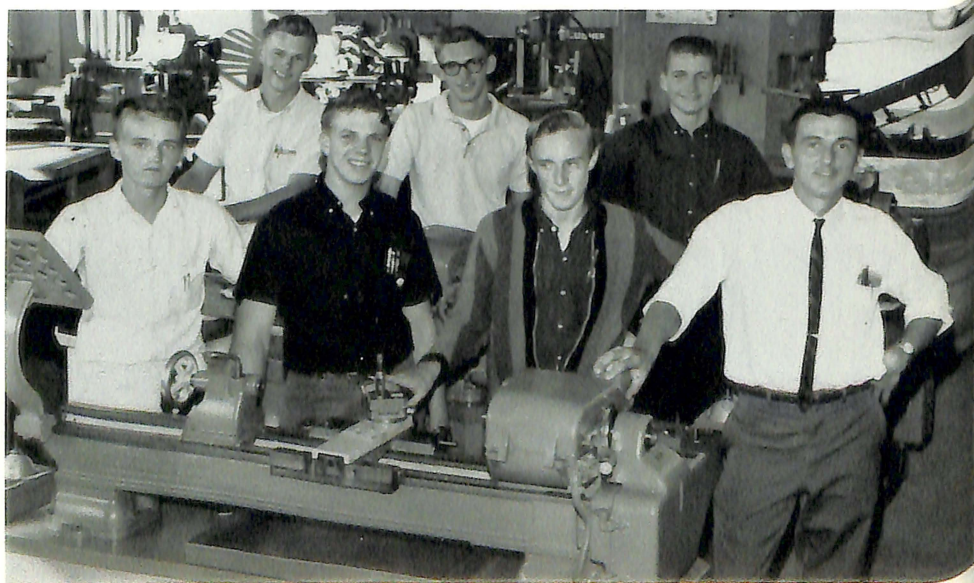

INDUSTRIAL ARTS CLUB

While developing good citizenship and character traits, the Industrial Arts Club represents and assists the Industrial Arts Department in all functions and activities.

As projects this year, they entered a "Model T" in the Homecoming Parade, are making a gavel for the Armijo Teacher's Association, and are taking a field trip to the Travis Air Force Base maintenance shops. Money making projects include making and selling school banners and constructing planters.

Each year the club awards a trophy to the outstanding Industrial Arts student, who is not necessarily a member of the club. Mr. Maddelena serves as advisor.

1st Row: Hugh Thompson, Ray Erck, Ray Venning. 2nd Row: Ken Haggamen, Bob Duncan, Mike Williams.

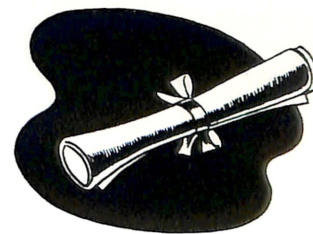

CALIFORNIA SCHOLARSHIP FEDERATION

The state constitution for a California Scholarship Federation was ratified in October of 1921 and 25 schools were immediately given full status. The number of participants has doubled many times over since then.

Membership in the California Scholarship Federation, organized to promote learning, depends completely on scholastic achievements in high school. Students wishing to join must fill out an application and all members must re-apply at the beginning of each semester on the basis of previous grades.

A visit to a university and several game concessions, as well as, class discussions comprise the agenda of the Armijo chapter. Mrs. Jordan and Mr. Hayward co-sponsor the local group and work with members to stimulate interest in grades and scholarship.

Honoring students for high academic achievement, this organization pays tribute to those who are outstanding not only scholastically but also in leadership, citizenship, and character.

Bottom Row: Roy McKinsey, Suzi Foon, Judy Ichikawa, Karen Ridenhour, Sharon Ackley, Pat Kang, Georgia Hehr, Lynn McSwain. Middle Row: Andy Matsuda, Sherry Fox, Jane Perlman, Sue Valladao, Don Shannon, Ray LaPointe,

Lloyd Chan, Mary Montee, Kay Harp, Jean Novicel, James Yee. Top Row: Bob Pelzman, Tom Angle, Ruth Hawkes, Linda Liles, Janina Scally, Mary Azavedo, Rosemary Bakke, Janet McGinnis, Chris Almany, Gary Ichikawa, Sharon Carlock.

FUTURE HOMEMAKERS OF AMERICA

1st Row: Nancy Knoppel, Cathy Gammon, Deb Jessie, Jean Taylor, Nancy Peterson, Shirley Marlett. 2nd Row: Priscilla Abalos, Mary Jane Cochran, Kathy Frazier, Diane Walsh, Pat Goss, Lynda Grout. 3rd Row: Mrs. Figone, Jonnie Hardy, Linda Maupin, Cindy Drake, Ramona Kasku, Amy Lowe,

Yolanda Calderon, Mrs. Wilson. 4th Row: Frances Mapes, Tammy Stump, Carol Williamson, Karen Brown, Nancy Marlett, Susan Ryan, Viki Shaw, Toni Martin. 5th Row: Marie Beernside, Deborah Williams, Kathy Poble, Cathy Castro, Jane Masterson, Deana Beyer, Linda Covey, Esther Marlett.

Any student who has taken or is taking a homemaking course may join the Future Homemakers of America, whose purpose is to help its members improve personal, family and community living.

Activities of this national club include guest speakers, cake decorating demonstrations and entrance of a float in the Homecoming Parade. Girls also knitted squares for afghans sent to rest homes in the community, and the club hosted the Faculty Christmas Tea.

Diane Walsh, elected Vice President of Public Relations for the State FHA, will attend a national meeting in Philadelphia for a week in July and Mary Jane Cochran, Treasurer for Section 5, attended a State meeting at Asilomar in October. Mrs. Figone and Mrs. Wilson advise this active club.

FUTURE FARMERS OF AMERICA

Ken Dillon, David Harris, Rich Jett, Ned Westerlund, Jay Jones, Jeff Sanford, Eddy Winters, Roby Frost, Jon Butshu, Len Orr, Ron Nusbaum, Dennis Blanc, Rich Lighthall, Greg Glover, Jim McRae, Dan Sumner, Angelo Mendoza, John King, John Hopkins, Dino Maeyama, Paul Oliver, Tom Vig,

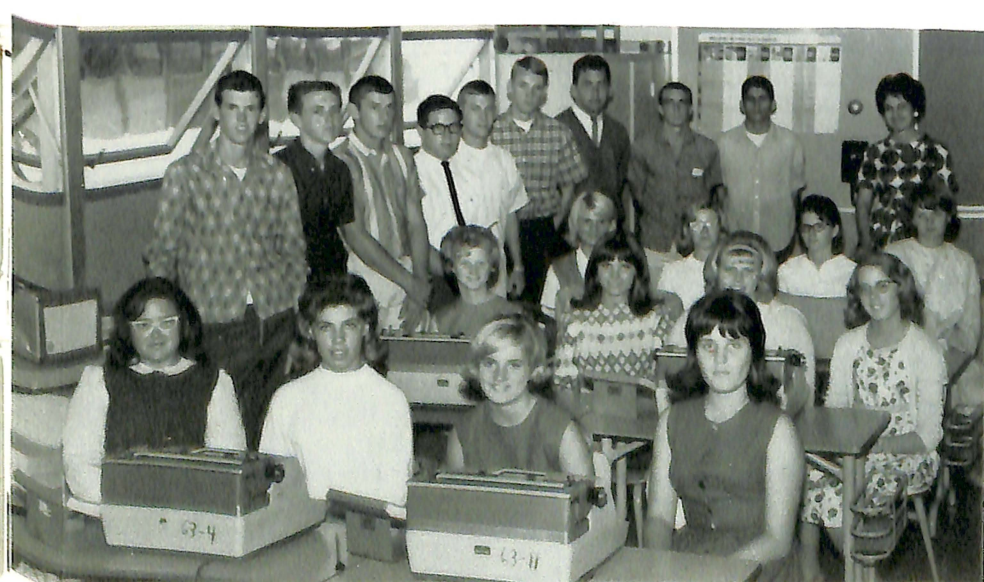

David Lucas, Danny Bentley, Gary Morris, Mike Duke, Craig Conyers, Pete Henry, Joe Calbert, Frank Andrews, Rich Ball, Rich Hale, Ralph Donalson, Steve Bauer, Jim Stutts, Harvey Chandler.

Developing leadership, its primary goal, the Future Farmers of America Club, a national organization, provides a full range of interesting and challenging activities for the all boy membership. These activities include an Etymology judging team — requiring the identification of major insects in California, as well as their controls and host plants. Livestock judging teams, land judging and tractor driving teams compete with other clubs in the area.

The two major social events of the year are the Father-Son Dinner and Parent-Son Banquet where the awards are presented to the boys for their projects. Three FFA sweethearts and one queen represent this chapter in local state and national contests. This year, FFA won the best club float in the Homecoming Parade.

Mr. Ted Gregg is the club's very active and interested advisor.

FUTURE BUSINESS LEADERS OF AMERICA

In its second year of existence the Future Business Leaders of America are planning their annual State Convention to be held at Disneyland in the spring.

Membership in the club requires that a student have a 2.5 average and one business course.

Each year they sponsor the Val-O-Gram sale, sending messages to friends and sweethearts. Other money raising projects are game concessions, car washes and operation of the Student Store, where all school supplies may be purchased when needed. They host local businessmen as guest speakers. The Lions Club bulletin is published by FBLA and Miss Squires is their advisor.

Seated: Nadean Finkenbinder, Carol West, Jackie Dolloff, Sharon Dyer, Sharon Littlejohn, Marilyn Baldwin, Phyllis Barrack, Leslie Mize, Sharon Eugenis, Marion Hopper, Judy Smith, Sheryl Tucker. Standing: Mike Casey, Tim Tipton, Carl Kolbert, Vernon Hoover, Larry Swearengin, Chad Oakes, Tom Watkins, Peter Underhill, Bob Salazar.

STUDENT COUNCIL

Janet McGinnis, A.S.B. Fall Secretary, Grayce Thomas A.S.B. Treasurer, Garry Ichikawa, A.S.B. Fall President, Val Richardson, A.S.B. Fall Vice President, Sharon Williamson, Joan Smith, Sally Klemins, Cynthia Carlott, Steve Durtschi, Dan Thompson, Joan Kyle, Jeanne Nordeen, Mr. Tom Bushey, Advisor, Bob Quan, Susan Knoff, Carole Romer, Daun Conger, Gary Darville, Mary Azevedo, Linda Lewis, Bonnie Gentry, Kathy Herbert, Cheryl Reynolds, Judi Alonzo, Judy Ichikawa, Donita Caldwell, Karen Ridenhour, Jane Masterson, Darlee Mallot, Lois Johnson, John Parks,

Brenda Stanridge, Patsy Rees, Susan O' Kell, Helen Beltran, Conni Moy, Cesear Beltran, Stan Harris, Laura Backus, Phil Palmer, Kitty Ehle, Tim Dowling, Catherine Scally, Walter Zych, Joyce Mauldin, Ray Erck, Diane Walsh, Yolanda Calderon, Renee Maeyama, Cindy Hall, Scott Steffens, Pete Underhill, Carl Colbert, Del Richardson, Karen Burton, Shonda Myrie, Margo Nott, Selene Smart, Dennis Boyd, Shoni LaPlante, Mary Morris, Lynn Detar, Pat Delapp, Tom Watkins, Put Tremblay, Sandra Pugh, Ann Stinchomb, Kathy Lowe.

The Purpose of Student Council is to promote student co-operation and loyalty, foster closer relations between faculty and students, and establish a basic student government in order to practice free and democratic ideals.

The election of representatives takes place in each social science class at the beginning of the year. Officers, elected twice yearly, are formally nominated during an assembly and are chosen by the student body in an election conducted by student leaders and advisor, Mr. Bushey.

This organization has many responsibilities to fulfill during the school year: all applications for dance or game concessions must be handled and approved, club constitutions must be voted on and school awards must be approved.

The Student Council was Armijo's first student organization and remains its most important.

TEACHERS OF TOMORROW

1st Row: Nina Salsman, Ellen Jackson, Bill Brown, Sandy Lockwood, Jeanette Struble. 2nd Row: Lynne Detar, Annie Vest, Mary Azevedo, Trudy Lindley, Isabel Reguera, Virginia Messer, Bonnie Gentry. 3rd Row: Janis Edwards, Sue McGuire, Linda Lewis, Anne Swanson, Arnold Swarty, Don Fawcett.

Informing students about teaching as a profession, the Teachers of Tomorrow Society, T. O. T. S., has planned a busy year. Activities include college campus visits, guest speakers and elementary school classroom observations, planned and coordinated with the aid of advisors Mr. Sheldon and Mrs. Crystal.

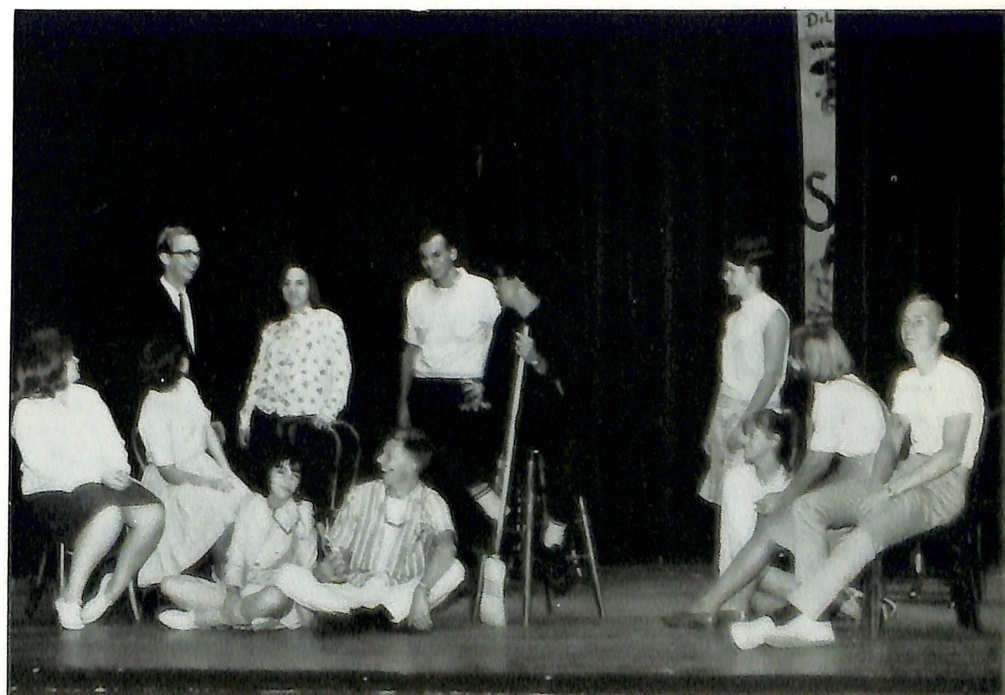

DRAMA CLUB

The Drama Club, organized last year, has taken great strides in establishing themselves as a very worth while organization.

This club encourages general student interest in theatrical activities under the direction of Mr. Kenneth Brown.

Foremost on their agenda for this year are trips to plays in the area and sponsoring a play for club members. Club members also participate in school productions.

Seated: Linda Kemper, Linda Littman, Mary Beightol, Jim Radmall, John Adams, Judy Gates, Pat DeLapp, Marty Eyestone. Standing: Mr. Brown, Fritz Bohleber, Ray LaPointe, Pat Harrington.

KEY CLUB AND THE COMMUNITY

1st Row: Greg Lang, Steve Osborne, Barry Hausam. 2nd Row: Maynard Woodard, Carl Kolbert, Charlie Caruso, Mr. Greiner, John Lillis, Stan DeVaughn, Richard Harris, David Harris, Tim Lee, Dee Beyer, Mark Mason, John Jennings, Randy Dexter. 3rd Row: John Tharp, John Chew, Bill Fulk, John Bieniewicz, Scott Chalmers, Dan Carlson, Gary Ichikawa, Jerry Jamison, John Wilson, Cesar Beltran, Stan Harris, E. W. Hausaum.

One of the busiest and most active clubs on our campus since 1954, the Armijo Key club is sponsored by and affiliated with the Kiwanis club, an international organization. This club had been very active in community projects, including sponsoring the Can Dance whose purpose was to give needy families in this area a Merrier Christmas, and spear headed the "Dollars for Scholars" drive each year. Being active in the community, the club members help in functions other than school such as the Pass, Punt, and Kick contest put on by the Ford Company.

In addition, these boys have attended several conventions including one in Oakland and Pacific Grove, where members of other clubs exchange ideas and viewpoints.

Although the membership is limited to 40 members, any boy with a 2.67 grade point average may join by filling out a petition and being accepted by the club members.

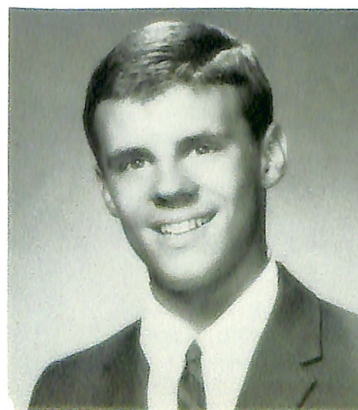

Acting as the club's advisor is Mr. Greiner, a member of the Kiwanis Club, and Armijo administrator.

ART CLUB CREATORS

Armijo's Art Club, advised by Miss Pedri and Miss Luptak, seeks to further student interest in art and artists. School and community service projects are undertaken by the club. Activities include field trips to several museums and participation in the art show held in the Armijo gymnasium.

The annual swimming party climaxes the year's events.

1st Row: John Lewis, Phyllis Tom, Chris Coehelo, Barbara Lai, Colleen Hopper, Yee Sheril, Gerri Robbins, Laura Backus, Maureen Murphy. 2nd Row: Susan Okell, Leslie Macy, Diane Davis, Jeannie Reigel.

BLOCK "A" AND ATHLETICS

Block A started in 1929 at Armijo. This club supports spirit and serves the school. Coach Hopkins is the acting advisor.

Membership is limited to those boys who have earned a varsity letter in athletics.

1st Row: Don Carlson, Vernon Hoover, John Bieniewicz, Tom Watkins. 2nd Row: Gary Hopkins, Frank Radel, Dave Nourot, Vic Grindle, Tom Bender, Richard Abdalah, Dan Callahan. 3rd Row: John Lillis, George Lambrecht, Jim Gilley, Bob Maeyama, Mike Woodonde, Greg Warrick, Putt Trembly.

PHOTO CLUB FLASHES

Interested students compose the entire Photo Club's membership. A reactivated club on campus, the Photo Club stresses the fundamentals of photography, developing, printing, lighting, and motion picture techniques on a limited scale. Members are urged to show their own work and in an atmosphere of friendly criticism, attempt to help each other.

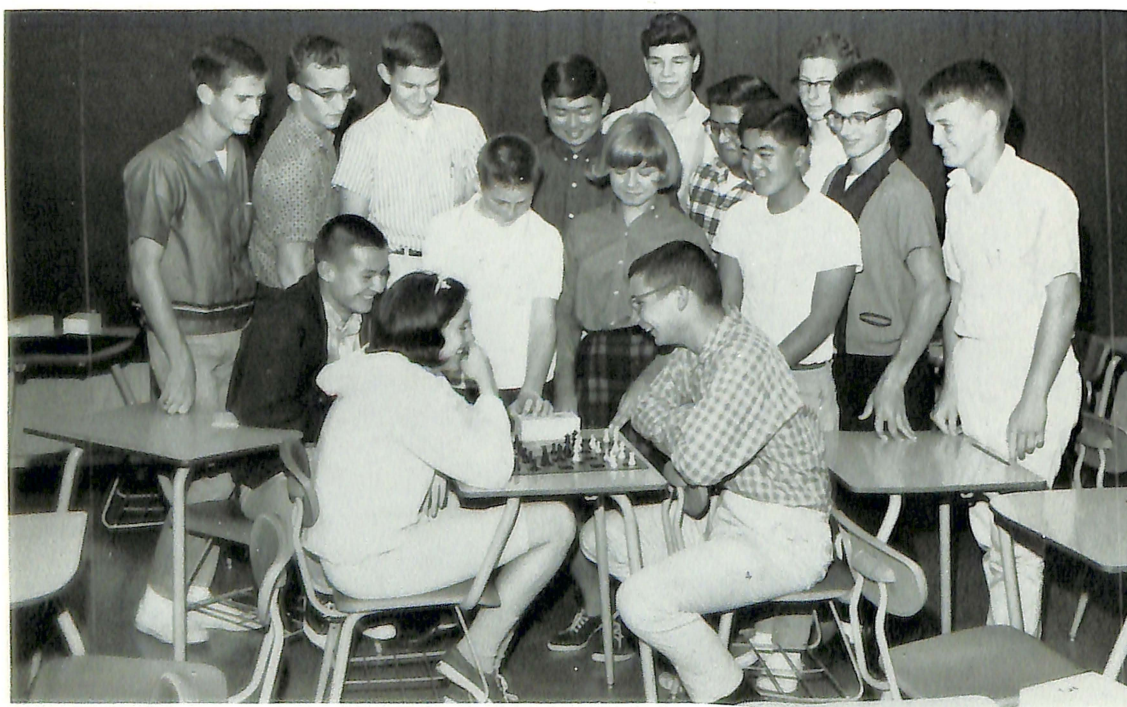

Outside instruction, in the form of demonstrations by Eastman experts, has also proved beneficial to club members.

Advising this club is Mr. Hedge.

1st Row: Jim Sullivan, Fred Bailard, Dennis Martin, Gary Rawlings, Manuel Reguera, Mr. Hedge. 2nd Row: Danny Shinn, Steve Larson, Jack Mraz, Dennis Wheeler, James Johnson. Seated: Carol Clouse.

CHESS CLUB

Seated: Janina Scally, Tom Angle. Standing: George Licos, Al Valcour, Priscilla Grace, Edwin Osada, David Harris. 2nd Row: Mike Salomon, Jeff McGough, Brian Bladish, Steve Nakamura, Mike Mangawang, Pete Hartquist, Mark Emerson.

Our newest club on campus, the Chess Club, teaches and encourages the playing of chess. Their schedule encompasses a full range of chess activities including intra-club and inter-school games.

Armijo's Chess Club, according to its advisor Mr. Aldridge is unquestionably the best in the area — because it is the only Chess Club in the area.

ARMJO PEP CLUB

1st Row: Helen Beltran, Shirley Harada, Priscilla Toon, Claudia Hom, Sherry Hunt, Maureen Church, Chris Olson. 2nd Row: Sally Klemin, Joan Smith, Janice Battelle, Tammy Stump, Julie Roy, Pat Todd, Lois Johnson, Mary Sebeck, Mary Baker, Jayne Nakamura. 3rd Row: Jeanine Nordeen, Suzi Geiskopf, Cora Andnson, Sue Kuklman, Kathy Keeler, Selene Smart, Cathy O'Connor, Barbara Jordan, Chris Almany, Mary Tomasini, Joyce Bautista. 4th Row: Andrea Bosco, Cindy Cramer, Cindy Hall, Viki White, Susan Imboden, Barbara Macy, Sandy Grimm, Linda Sadler, Nancy Glas-

hoff, Phyllis Mrotek. 5th Row: Jeannine Baird, Judy Moore, Zeanna Stoddard, Tana Beyerley, Pam Dietrick, Catherine Price, Maureen Murphy, Sandy Jewell, Janice Ewing, Debbie Cooper. 6th Row: Suzi Foon, Pat Kang, Valaree Green, Kathy LaPlante, Anne Lillis, Carol Romer, Daun Conger, Cheryl Reynolds, Kathy Willis, Susan Okell. 7th Row: Marlene Ferguson, Susan Goodman, Ada Bond, Shirley Driver, Linda Foster, Maureen La Plante, Marion Wright, Lynne DeTar, Cyndy Carlock, Mickey Poulin. 8th Row: Nancy Barcelo, Laura Backus.

Armijo's Pep Club, organized and chartered this year has set for itself a high goal; promotion of school spirit in the student body. They have succeeded in increasing spirit a great deal through their posters and signs in the halls and with skits during the rallies.

Kathy Keeler, Nancy Barcello, Kathy LaPlante and Valerie Green currently fill the executive positions in this club, with Miss Meek serving as advisor.

The chief social function of the Pep Club this year was co-sponsoring the Christmas Formal annually given by the Cadet Corps.

Miss Meek and Sharon Ackley prepare decorations for the annual Christmas Formal, co-sponsored by the Pep Club and Cadet Corps.

Under the sponsorship of the Physical Education department, the Girls' Athletic Society increases interest in girls' sports through intramurals and competition with other schools. G.A.S. also encourages good sportsmanship and offers leadership in girls' athletics. Members participate in a variety of sports; including volleyball, badminton, basketball and softball. For each sport in which a girl completes a given set of requirements, points are given and a letter emblem may be obtained.

Different schools throughout Northern California each year attend a badminton playday on the Berkeley campus with first place, second place and consolation prizes awarded. Last year, Armijo walked away with many of the top prizes. Another playday at San Francisco State College was attended by Armijo's G. A. S. members.

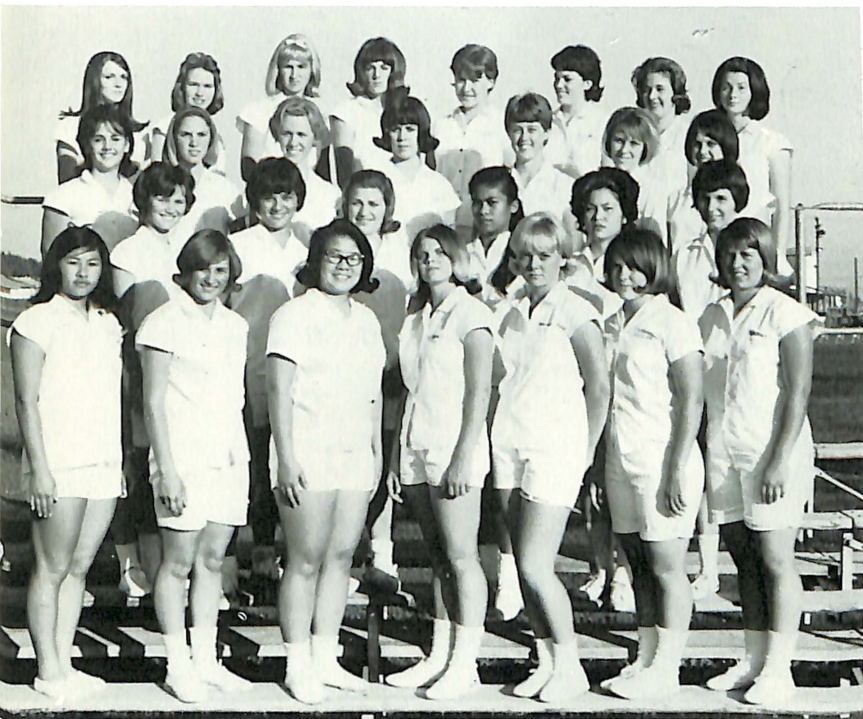

Their annual awards banquet was held in January and was highlighted by the announcement of spring officers. An all school girls' assembly was held in the spring to award G. A. S. letters and medals. A major project for this organization was the Sadie Hawkins dance — always a big success.

Newly elected Spring officers of G.A.S.: Sandy Loustou, Nancy Barcelo, Sandy Lockwood, and Ann Vest.

SCOUT STAFF

"The Armijo Scout" is issued monthly by the journalism classes under the direction of Mr. Marvin Grasse. First-year students spend several months in the class, studying journalistic technique, until they "graduate" to the staff, joining those who have taken journalism previously.

The work involved in putting out a paper is distributed among various departments which include: editorial, photography, advertising, art, circulation, and printing.

This year, "The Armijo Scout" saw several important changes. For the first time, it was printed on the new Multilith press, which meant additional work but wider experience for staff members. The number of pages was doubled, and a magazine-style cover was introduced. Variations were made in column width, and colored ink was used on contrasting paper.

"The Scout" staff is indebted to Mr. Ray Tewell, who devoted hours of his own time (outside of his department) to encouraging and instructing students in the use of the Multilith machine . . . his determination "kept the presses rolling."

SPORTS have become an integral part of high school life in America, and the field of events is ever widening. Armijo High School athletics stress teamwork, judgement, and building character, as well as skills. A competitive spirit and sense of fair play, which benefits both the athlete and observer, results from sports.

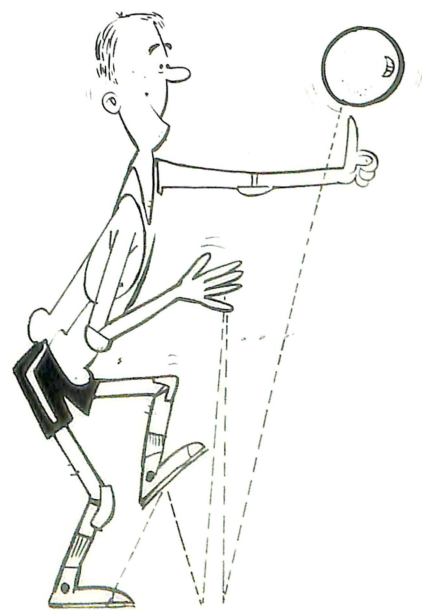

Athletic events, ranging from football through the spring sports, dominate the spectrum of school activities, therefore, making up a sizeable amount of our totem pole.

This year Armijo became a charter member in the Delta League, composed of schools in this area formerly in the Metropolitan and Golden Empire Leagues, including Vacaville, Washington, Marshall, Davis and Armijo. Periodic meetings are hosted by each of the schools with student leaders attending.

Under the direction of head coach Beggs and assistant coaches Peterson and Drake, the Varsity season record was 4-4-1. The team elected John Lillis and Vern Hoover its captains for the coming season.

The Indians traveled to Hogan to open the season and lost 26-6, although the score did not indicate the closeness of the game. The next four games were won by the Indians; Albany was defeated 26-13, Elk Grove was snowed under 35-6, Folsom fell 21-0, Washington of West Sacramento dropped a 26-6 decision which opened the new Delta League and momentarily put Armijo in first place.

Lambrecht, S. Patton, J. Lillis, and D. Callahan.

Some early season standouts in these victories were such top line-men as Jim Gilley, DeWayne Sargent, Putt Tremblay, Vern Hoover, Ron Boyd, Tom Watkins, and John Bieniewicz. In the backfield John Lillis, Dan Callahan, John Tharp, Greg Warrick, and Sam Patton were performing admirably.

Homecoming opponent was Marshall with the game ending in a scoreless tie. The next three games were played against the three teams that tied for the Delta League Championship. Woodland blasted Armijo 31-0 on the last home game for 25 Senior players. We made a good showing against Davis, which was considered the most exciting game of the season. Vacaville downed us 26-12 in the last game of the Football season.

For the first time in Varsity football the Indians downed the Folsom Bulldogs by a 25-0 margin. Though these two teams are not city rivals there has always been a bit of rivalry between the two schools. The Indians, on their second series of plays, marched down the field, with John Tharp climaxing the drive by bulling off tackle for the opening score. The Indians boasting a strong defense, held the Folsom team in their own territory most of the game. On the next Indian drive, George Lambrecht, behind the blocking of Put Tremblay and Vern Hoover crashed over from the five yard line for the second Indian score.

With the second half just under way, John Tharp galloped twenty yards for his second score of the night. The Indians defense held the Folsom eleven and it was first and ten Armijo. After a few pass completions from John Lillis to ends Jim Gilley and Jon Mendenhall; Sam Patton sped into the end zone for the final tally of the night.

Armijo's football machine fired on target once again for the second straight home victory of the young season. The Indians scored after taking the opening kick-off and ground out yardage with a superb running attack. John Tharp crashed over from the fourth yard line to climax the drive. In the second quarter, after an alert defense intercepted a Cougar pass; the Indians drove to pay dirt via the air route. Senior quarterback John Lillis spearheaded the attack by hitting 3 consecutive passes, the final one a shot to Senior end Jim Gilley, for the tally. The purple and gold took a 13-0 lead. In the second half each team scored twice and the Indians were home free with a 26-12 victory.

WOODLAND WOLVES WIN

The mighty Wolves from Woodland came to Fairfield Friday night and took an impressive 31-0 league win over the Indians. The Wolves, however, found tough going through the first half as they managed a slim 6 point lead. The Indians came up with a tough defense but could not get their offense going. At the start of the second half the game seemed to change. Armijo's defense started to tire and the Wolves strong offense started to click. The Wolves who could manage only one touchdown through the first half, scored four more times and added a conversion in the all important second half. Passing lead to Armijo's downfall, however, the game was much more of a battle than the score indicated.

HOME-COMING ENDS IN TIE

Defensive specialists Jim Gilley and Tom Watkins bring down Marshall ball carrier after short gain. Coming up to help is Vern Hoover.

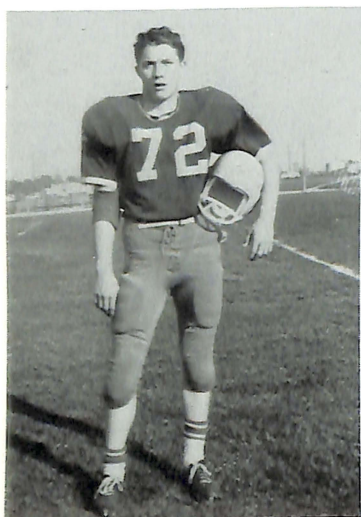

Armijo's Greg Warrick travels around end for yardage despite Woodland defenders and a muddy field. Key block was thrown by John Tharp.

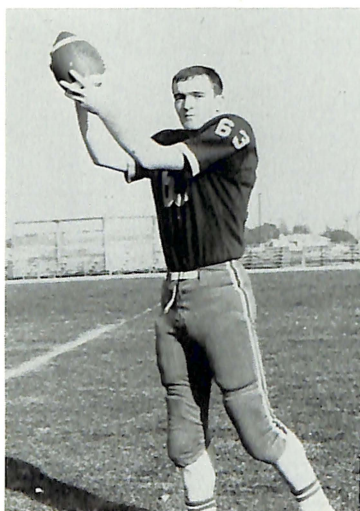

Homecoming night seemed a disappointment to many Armijo fans as the purple and gold fought to a 0-0 tie with the Wildcats from West Sacramento. Armijo was a heavy favorite to take the contest but could not penetrate the defensive team from Marshall. Last year beating the Indians 32-0, the Wildcats have always been a tough opponent for Armijo.

The only score that night came from end Jim Gilley, but because of a penalty, the play was called back.

VACAVILLE

TAKES

Co-captain elect John Lillis finds it rough going against Vaca.

The Bulldogs from Vacaville took the traditional Friday night by a 25-13 margin. It was an extremely cold night but that did not bother the running of John Tharp as he raced 99 yards for a Armijo TD. The extra point failed and the Indians had a 6-0 lead. But the feared throwing arm of Junior Lopez was intact as he constantly hit end Thomas on aerals. It was Lopez and Thomas on the next pass that resulted in a Vacaville TD. Armijo was forced to punt on the next series of plays and Vacaville took over. Again Lopez dropped back to pass and hit Thomas in the end zone. But Vacaville was not through scoring and with 1 second left, Junior Lopez

dropped back to pass, found his receivers covered, decided to run and raced 50 yards for another Bulldog touchdown.

Armijo started the second half by marching down the field, the drive failed on the five, and with a fourth and goal situation the call went to the hard driving fullback John (Hawk) Tharp who crashed over for the score. This ended the Indian scoring for the night but the Bulldogs were to continue. It was again Lopez to Thomas but the final score went to fullback Champ Boykin who smashed the middle for the final tally.

Ends Chris Grace, the versatile Steve Coleman, who also played some full-back and quarterback, and Roy Hentzen rounded out the offensive line to make a fine forward wall.

The innovation of the platoon system after four games gave several more players an opportunity to play on defense. Ken Carbullido became an outstanding defensive halfback and Mike Woickicki a veritable tiger as middle linebacker.

Several other players gave the necessary support to finish a good season with a 5-2-2 record.

The Junior Varsity backfield of Tom Pergakis HB, Dan Spitzer QB, Bob Oliver FB, and Tim Lee became the most powerful in the league. Seldom were they held for longer than a half game before their abilities as runners and blockers began to take toll of the opponent.

Dan Spitzer as a freshman showed that he will become a dangerous QB to any team in the league when he becomes a Varsity player.

Jon Hom and Ken Wilson gave their best to a good season and Ken went on to play Varsity football at the end of the season.

Carl Stemmler and Robin Knapp acted as the mainstays at tackle to give firm support and spirit to the line.

Paced by smooth senior guard George Lambrecht, the Indian cagers opened the newly formed Delta League with an impressive 69-50 victory over the Washington Huskies. Armijo controlled the ball from the opening tip-off and surged to a seventeen point lead after the first period. Then three starters got into foul trouble and had to be replaced. The Huskies fought hard and closed the gap to two points at the half. The Indians came back hard with their starting line-up and put the contest out of reach. In the fourth quarter reserves took over and completed the game. George Lambrecht led all the scorers as he burned the nets for twenty-six points.

In the second contest with the Huskies, Armijo continued to hold on to second place by beating a tough Washington five, 78-72. The Indians jumped off to a quick lead but managed just to stay in front at the end of the first quarter. However, at the start of the second period the Huskies could do no wrong, and the first half ended with the Huskies on top 34-31. But Armijo bounced back and were in the lead at the end of the third period. The fourth period was full of excitement as the lead was continually being tied, but Armijo seemed to be a little too tough for the Huskies as they stretched their lead to 7 points by the time the final buzzer sounded.

Armijo continued its winning streak by downing the favored Davis Blue Devils by a decisive 71-61 score in the first home league game. The smaller Indians displayed a pressing defense and a free-lance offense in coping their second straight Delta League victory. The much feared height of the Devils was equalized by the hustling Indians, who were rated with the Davis team as title contenders. The Devils used the fast-break to near perfection, posting a 38-25 half time lead. However, the Indians pulled out ahead in the third quarter for the final victory.

"The balls there somewhere" seems to be the thoughts of Armijo's Jon Mendenhall No. 50 as he watches teammates Gary Hopkins and Bill Southward.

A lousy first half spelled defeat for the Armijo Indians as they dropped from a second to a third place tie with Woodland. The Indians who had not played well in the first half spotted the Devils 30 points at the intermission.

Perhaps one of the most exciting games of the year saw the Woodland Wolves edge the Armijo Indians 80-78. The game was tied 20 times before the Wolves shrieked out a lead in the last 14 seconds of the game. Both teams wanted this win badly and their hard playing showed it. With the end of the third quarter the score showed the Indians ahead by three points. Both teams played the last quarter as if it were the first and just as full of energy. The game was to decide ownership of third place and as the buzzer ended, it marked the end of a hard fought basketball game with the Wolves from Woodland squeaking out a two point margin, enough for a victory and third place.

CAGERS CAPTURE FOURTH

Lingren, Jennings, Gilley, Tharp, Mendenhall, Goff, Adler, Inman, Southward, Lambrecht, and Hopkins. Center Armijo Varsity coach Ed Hopkins.

George Lambrecht, Gary Hopkins and Bill Southward were the most outstanding players on this year's team. Lambrecht was one of the top three scorers in Northern California with an average of 24.4 points per game, and he presently ranks as the number two scorer in all-time Armijo Basketball history, only behind the great Mike Diaz.

Although we lacked height and finished a disappointing fourth in the Delta League, we finished with a .500 average and one of the highest scorers in Northern California.

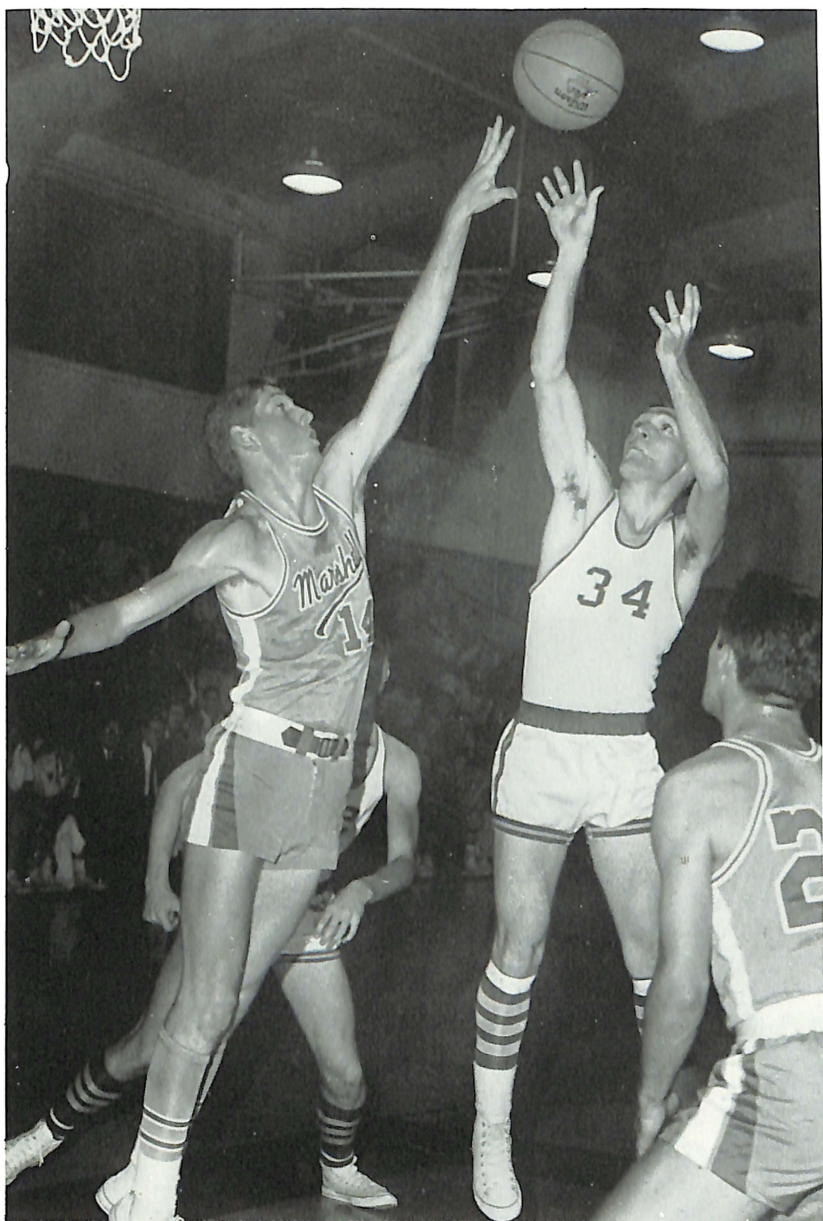

George Lambrecht, who acted as the Varsity basketball team captain this year, participated in Junior Varsity football during his freshman year and played under Tom Agrava as second team quarterback. That same year George made the B team basketball and in the fall of his sophomore year he made first club in junior varsity football and advanced to varsity basketball as first string guard. Upon earning his varsity letter he entered Block A and by his senior year he was participating in both varsity basketball and football. This year George made first team All Delta League and was named to the second team in All Superior California.

The back bone of the game of basketball lies in these practices where the boys do as much listening as they do playing.

Armijo which had an average season this year scored a perfect two for two against the James Marshall Wildcats. Both games were fairly close but it was evident that the Indians were a much better team. In the first game the Indians jumped off to an early 17-12 lead but the taller Wildcats fought back to come within 3 points at halftime. The second half was similar to the first with the Indians staying out in front by 2 or 4 points, and finally winning 62-59. The second game found the Indians traveling to West Sacramento to engage the Wildcats. The Indians had to rely on their fast-break offense to compensate for the much taller Wildcats who had a center 6' 9". The Indians were having one of their better nights controlling the game with a 40-27 lead at the half. The game ended with a 69-65 Indian victory after a Wildcat scoring spree during the second half.

VACA DELTA CHAMPS

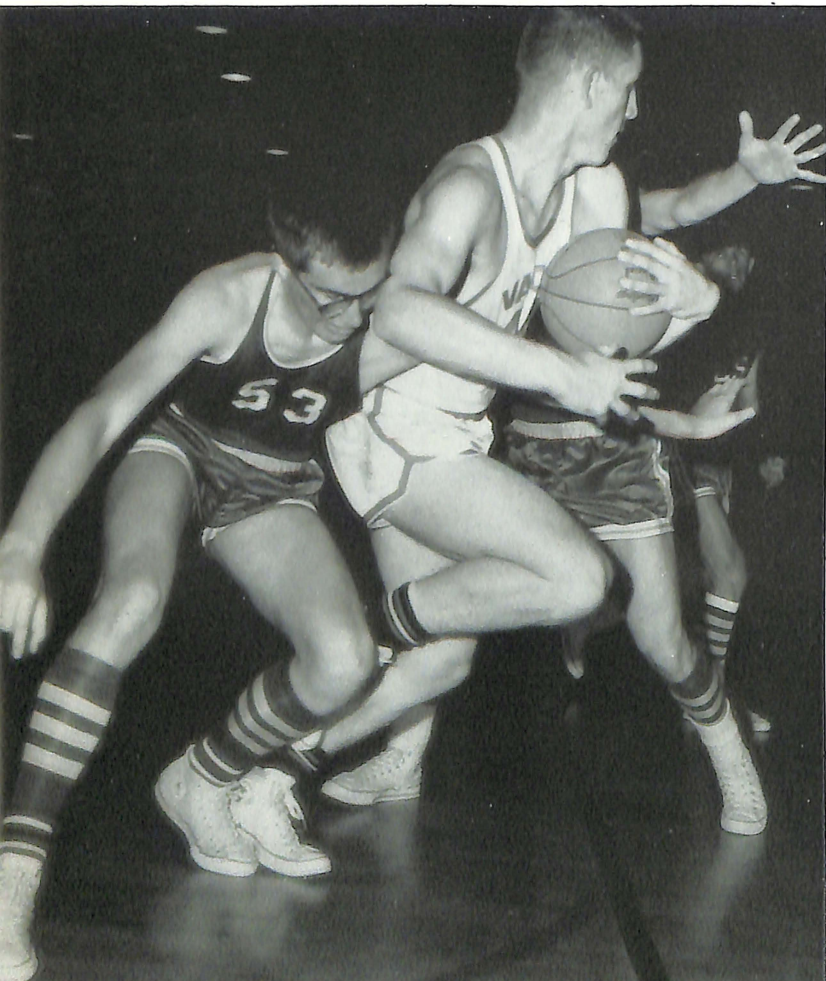

The Vacaville Bulldogs remained undefeated in the first half of the Delta League, and Armijo was in a three way tie for second place. The Indians tried to upset the Bulldogs but the well-balanced team was too much for the Indians. The Bulldogs had a tough time during the first period as they were ahead by only 4 points, but the second quarter favored the Bulldogs as they increased their lead to 8 points.

Finally going for broke, the Indians tried to pressure the Bulldogs but left the basket open for layups. Armijo climbed to within 3 points but never came that close again. Vacaville built up a 10 point lead and wound up winning by a 78-62 score. Both teams had men in double figures; George Lambrecht netted 21 points, followed by Bill Southward with 18, Gary Hopkins 11, and Vacaville's Bob Heise and Jim Holmes with 18 and 15 respectfully.

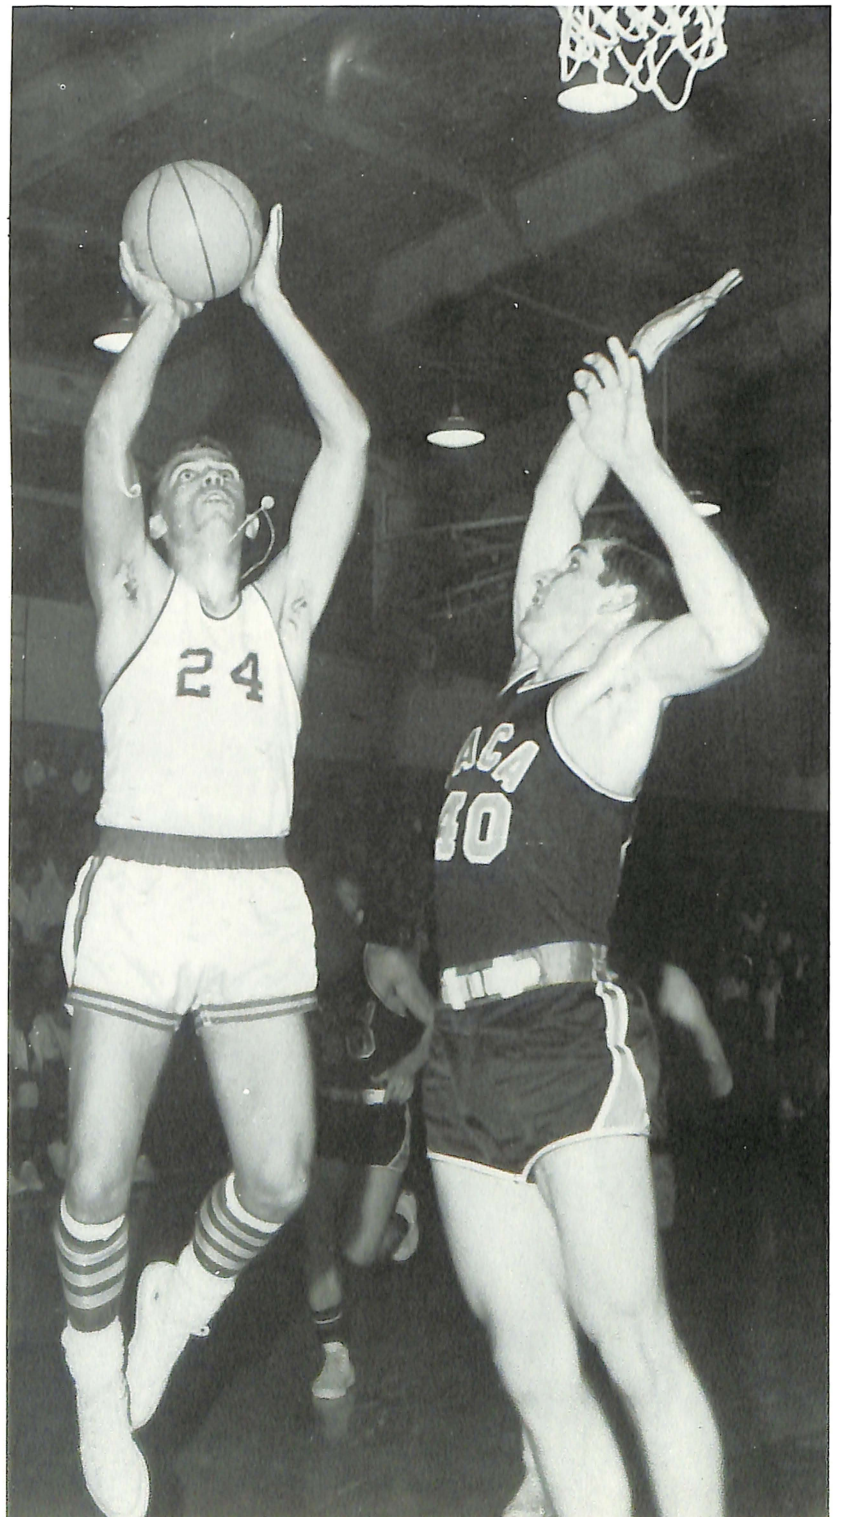

The second match with the Bulldogs marked the end of the basketball season, and an undefeated Vacaville won again over the Indians for their 10th straight win and the Delta League Championship. In the first quarters of the game the Indians did well falling behind only 2 or 4 points, however, by the end of the third quarter it was evident that the well-balanced Bulldogs were on their way to the final win of the season. At the sound of the final buzzer the score was 83-63 Vacaville.

The Armijo Rambler Basketball team ended the season with an even .500 record. In compiling a 7 win 7 loss record; the Ramblers beat San Rafael, Davis twice, Marshall, Washington with two wins, and Dixon. The Ramblers lost to Petaluma, Woodland twice, Benicia, Montgomery, Vacaville and the Dixon Varsity.

The highlight of the season was the first game with Davis, when Armijo, trailing by 18 points in the fourth quarter, rallied to win the game by 3 points. The hustle and "never quit" attitude of the Armijo players was responsible for the team giving each of its opponents a rough game.

Armijo varsity Rambler basketball coach Gary Vaughn coached the team through many rough games.

FROSH, LUCKY 13

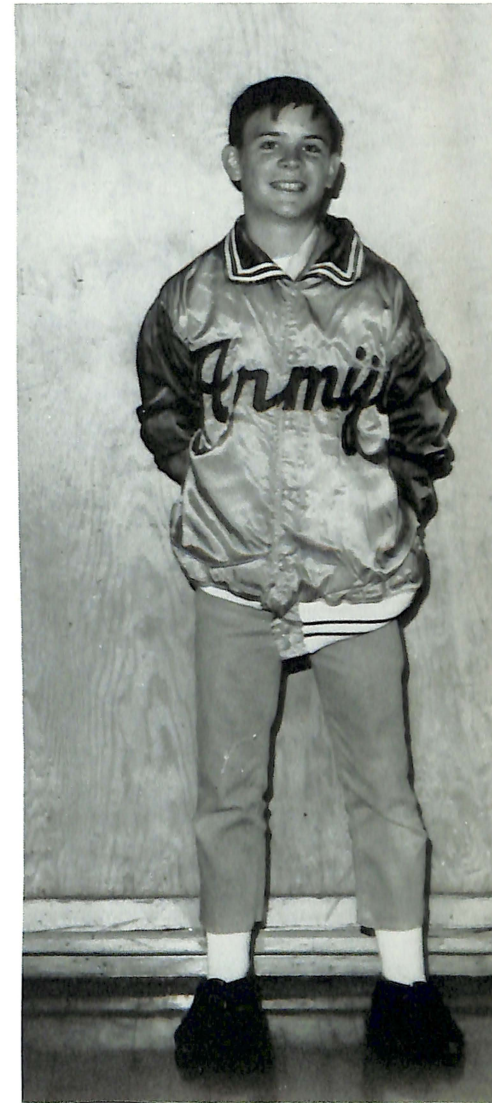

This is just an example of what kind of work it took to take the game away from Vacaville.

Coach Gerry Hayward was to present to Armijo many excellent hopefuls for next years J.V. team.

Armijo's Freshman Basketball team had a very successful season this year winning 13 games while losing only twice. This was the second season in a row that the Freshman had such an outstanding season. This year's team was an extremely well-balanced, good shooting team.

The team's top scorer was Gary Wagner, but he was closely followed by the other members of the starting five: Forwards Joe Williams and Dave Antill, and guards Dan Spitzer and John Sullivan. Tom Wilson, Ed Jones, Phil Polomo, and Mike Ehle also saw alot of this year's action for the frosh. The play of this year's squad should provide Armijo with some fine basketball prospects for the future.

Little but mighty Ken Gordon managed the Freshmen team. According to Coach Hayward the team couldn't have been as good without Ken.

This year's varsity baseball team headed by the new coach Ernie Drake, is a relatively inexperienced "diamond" squad with only two returning lettermen, outfielder Tom Watkins and catcher Vern Hoover. The team started slowly, losing its first two outings, but has showed fine defense and pitching efforts. Although not faring too well in the hitting department in these games, the squad has potential sluggers in Tom Watkins, Vern Hoover, Putt Tremblay, and Rod Inman.

a game played with a bat and ball on a large field, a section of which, the "diamond," contains four bases which form the corners of a 90-foot square. It is played between two teams of nine players each, one of which takes defensive positions in the field while the other takes turns batting. The ball is thrown or "pitched" from approximately the middle of the diamond toward the most important base, home plate. The batter, standing beside home plate, attempts to hit or bat it away from defensive players so that he can reach first base and eventually complete the circuit of the bases and score a run by reaching home plate. In this way, he may be assisted by succeeding batters.

Armijo's cross-country runners capped a sensational season by sweeping the varsity, frosh., soph., and junior varsity championships at the Delta League meet at Davis on November 7. One of the highlights of the season was the frosh.-sophs. winning the Sacramento State Invitational against 30 other teams.

Results: The varsity lost its openers at Vallejo, but went on to defeat Vacaville, Vanden, Marshall, Washington, Davis, and Woodland. The varsity compiled an impressive record of six wins in nine meets. The frosh.-soph. did even better by winning eight out of ten meets. Their victims included all the Delta League foes, Vallejo, San Rafael, Vanden (three times) and most of the other teams in the section. The varsity's outstanding runners were Harvey Guizar and Mike Iverson. The co-captains were Leon Cochran and Larry Pugh.

Co-captains Bob Crow and Ed Lopez paced the frosh.-soph. team to most of its victories. At the height of the cross-country season, Bob Crow was considered to be the second man in Northern California topped only by Bill Peck of Grace Bishop High School in Modesto, California.

The main meets of the year include our own Armijo Invitational on April 3, 1965, the Delta League Meet at Woodland on May 14, 1965, and the California State Meet in June at Bakersfield.

a term used in the United States to designate competition among individuals in running, walking, hurdling, jumping, and throwing. (In the British Empire, the term "athletics" is used for these events.) To primitive man engaged in hunting his food or fighting his enemy, proficiency and superiority in these natural activities may have meant the difference between hunger and plenty, and even between survival and extinction. In modern times, even without such compelling motives, the same urge for superiority exists, and millions of persons in every part of the world now engage in formal, organized competition in events generally patterned after modern Olympic games.

The 1964-65 wrestling season got under way with a match against Vanden. Relatively new in the athletic world of Armijo, the wrestling "bug" has caught hold of student enthusiasm.

Coach Powell, new himself, faced the task of a rather inexperienced team but one of promise and a lot of that necessary ingredient in the formula of success — spirit. Over 50 candidates for the sport turned out this year, unfortunately the majority of which were freshmen and sophomores with little training.

Coach Powell's biggest hope for the season came from Larry Bracket who won 7 straight victories without **one** point being scored against him.

Indians skill is shown here as Ken Peterson prepares to pin his man.

The feeling of anticipation when you're about to throw your man.

WRESTLING IS . . .

Greek legend ascribes the invention of wrestling to Theseus. Homer sang of it in the "Iliad," and it has been estimated that ancient Egyptian monuments contain figures showing over 1,000 holds. About 708 B.C. wrestling was introduced into the Olympic Games as part of the pentathlon, the wrestler attempting to throw his opponent to the ground while remaining on his feet himself. The pancratium, introduced in 648 B.C., was a rough and tumble fight with only biting forbidden and lasted until one contestant acknowledged defeat.

Under Intercollegiate rules the objective is to gain a fall, and a fall is obtained by pinning the opponent's shoulders to the mat for two seconds. When no fall is gained the wrestler showing the most aggressiveness and wrestling skill is awarded the decision.

This year's tennis team consisted largely of sophomores and juniors. The team isn't as big as in the years before, but this provided those players who didn't play much a great opportunity to take part in the sport.

This year's team consisted of two divisions, freshmen tennis and varsity. It was a hard season and Armijo played more games than it ever has before, including for the first time, Hogan.

Brokaw shows good form and much promise as he smashes his serve into opponents court.

Abe Bautista shows what a lot of practice, a lot of skill and a little luck can do as he wins the final game for a 6-4 set against Vanden.

Armijo's newest sport, golf, is coached by ex-football coach Jack Beggs. The squad, which has already played several games this season, plays all of the home contests at the Green Valley Country Club. Beggs reports that his club is experiencing some of the typical first year problems at this time, but he hopes they will be ironed out soon.

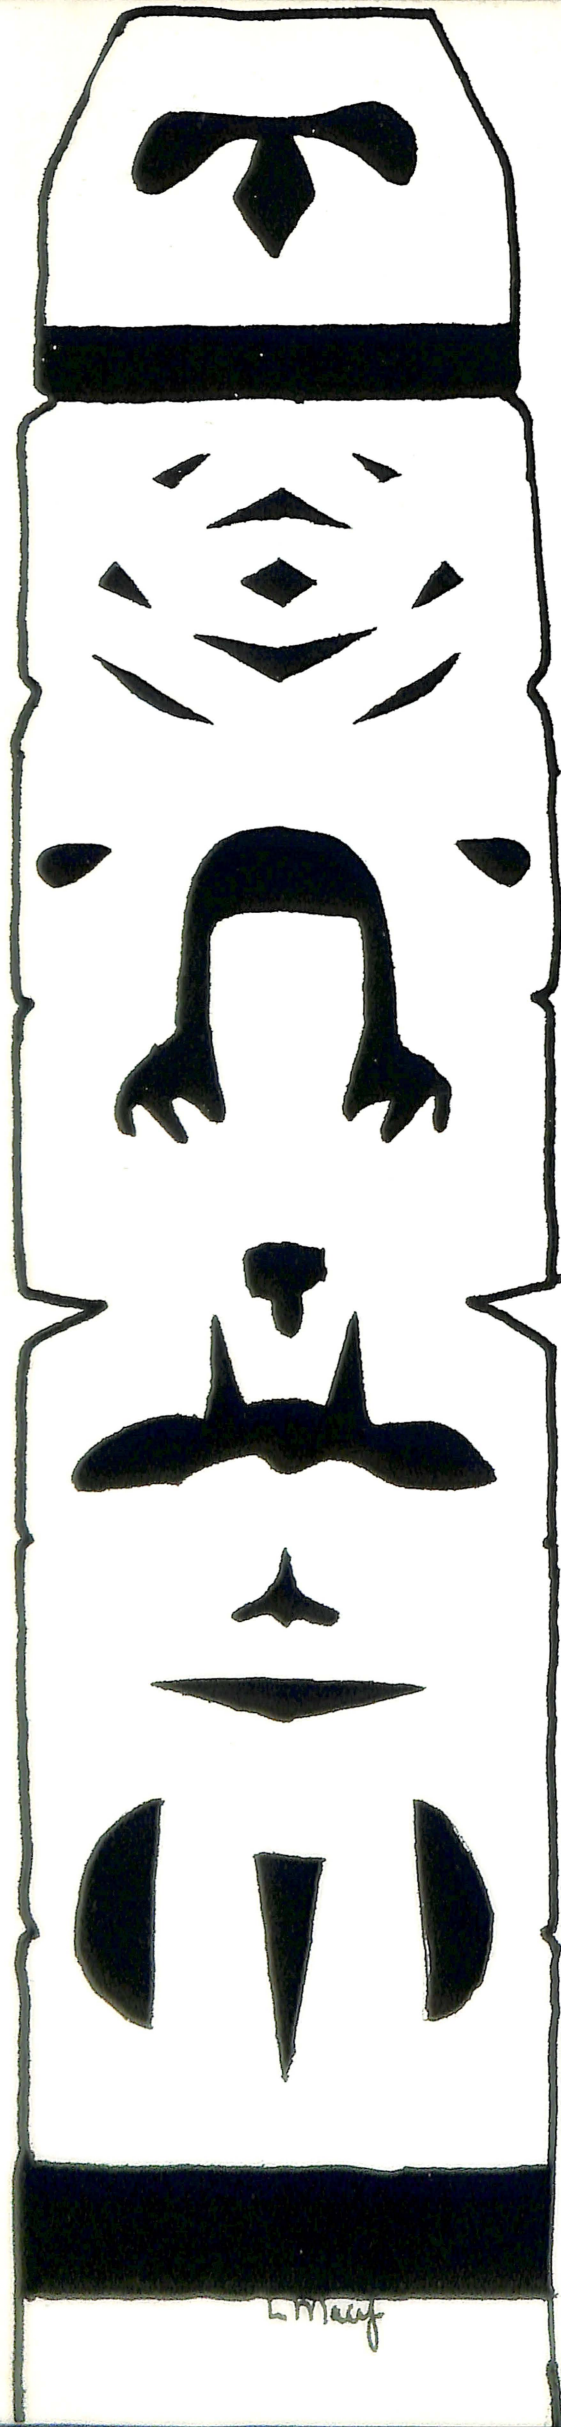

Mike Lingren shows back swing form preparing to tee off.

Charley Sullivan follows through after driving ball.

Tom Adler prepares to hit fairway wood shot.

CAMPUS LIFE, centering around the students and their activities, may be likened to the paint on our totem pole—adding both color and interest.

On a campus with even one student a certain amount of activity may be found and on a campus like Armijo's with 1864 students the planned and unplanned activities which take place are practically boundless. Homecoming, the Sophomore Hop, Sadie Hawkins, crowded halls between classes and rallies make up a small part of the life on our campus.

Interested administrators also play an important part in school activities—without their approval and co-operation our campus activities would be non-existent.

Armijo's wealth of organizations and pep groups account for the remainder of the life on our campus—leaving little doubt that the student body **is** active.

Claudia Hom, Sherry Hunt, Mary Jo Baldetta and Priscilla Toon were selected by the student body from a wide field of candidates to serve as Armijo's Varsity Cheerleaders for 1964-65. They played an important part in formation of the Pep Club and maintain an active interest by helping paint signs and selling victory ribbons before each game.

Their many hours of practice and their genuine enthusiasm shine through in their "yells" at both rallies and games.

Hailing from the sophomore class, Junior Varsity Cheerleaders Susan Goodman, Ada Bond and Donna Covey also participate in all school rallies, as well as rooting vigorously for the J.V. teams.

Cindy Hall, Barbara Macy, and Susan Imboden lead the Freshman class performing occasionally during rallies and rooting steadily through all freshman games.

Together these three groups endeavor to raise the spirit level of the Armijo student body while showing our teams that we are rooting for them.

POM PON GIRLS PROMOTE GOOD WILL

The zestful pom pon group with its wide variety of routines entertains the student body, accompanied by the band, at all rallies and during half time at many games. The girls in this group also serve as ambassadors of good will at away games and as campus guides for visitors and during orientation day.

Helen Beltran and Chris Olson serve this year as the Armijo High School mascots and may be found appropriately dressed in blankets, feathers, and moccasins at all school rallies and athletic contests. In their official capacity Chris and Helen represent the spirit, enthusiasm and sportsmanship found in each Armijo Student.

POW WOW EXCEL AT DIXON-MAY FAIR

An evening performance by the Armijo Drill Team.

Advisor Miss Meek and Student leaders Paula Jeter and Carol Scholl discuss plans for new marching routines.

Marching only to a drum beat and the leader's whistle, the Armijo Pow-Wow captured first place in precision marching at the Dixon May Fair last year. They also filled a large spot in this year's Homecoming program, entertaining students and alumni. Under the direction of advisor Miss Meek and student leaders Paula Jeter and Carol Scholl, this unit marched at each of Armijo's home football games and a majority of our home basketball games.

Other activities of this busy group include many hours of practice, supplying refreshments for the annual Sadie Hawkins Dance and participation to defend their title in the Dixon May Fair parade.

With pride and honor "Old Glory" is raised over Brown Lee Field.

The Armijo Cadet Corps, organized as the 35th Battalion, was started in 1956, with the arrival of Colonel Collier, then a Captain.

The men in the corps receive rank according to ability and over-all performance, with the officers given almost complete responsibility for daily management of the class period. The continuing success of this type program, under Colonel Collier's wise direction, is reflected in the fact that Armijo's Cadets have held the position of "Top Corps" in California for the past six years and will be rated this year in April.

ALL WESTERN BAND REVIEW

The colorful marching band with its 78 members, gives a real boost to Armijo's spirit. Under the direction of Mr. Briggs and drum majors Jim Radmall and Garry Ichikawa, the band performs at football games, basketball games, and pep rallies. There is also a Pep Band, under the direction of student leader Alan Ellsworth.

For the past four years, the marching band has traveled to Long Beach to participate in the All-Western Band Review. This year, after reaching a goal of \$2,000, financed mainly by the "Armijo in Review" program and private donations, the group again boarded buses and headed for Long Beach during the Thanksgiving Vacation.

In 1963, our band placed seventh at Long Beach and received a third place ribbon in the Cal-Aggie Parade. The group was also awarded an outstanding first place in the Dixon May Fair Parade, and plans to participate again this year.

The Faculty-Varsity basketball game, sponsored by the Armijo Teacher's Association, has become an annual event, with all proceeds put into a foreign exchange student fund. The annual teachers' rally, held the day of the contest, proves to be perhaps the most entertaining rally of the year. This year the theme of the rally was a take-off on television horror-comedy shows, including horrible predictions of the outcome of the game — which unfortunately came true.

STUDENT STORE

The Armijo Student Store is run by the Future Business Leaders of America for the benefit of the student body under the direction of Miss Squires and Mrs. Gaudet. The store handles a wide range of school supplies, paperback novels and gym clothing; and is open first period, during both lunches and after school for one hour. Students handle all the business transactions.

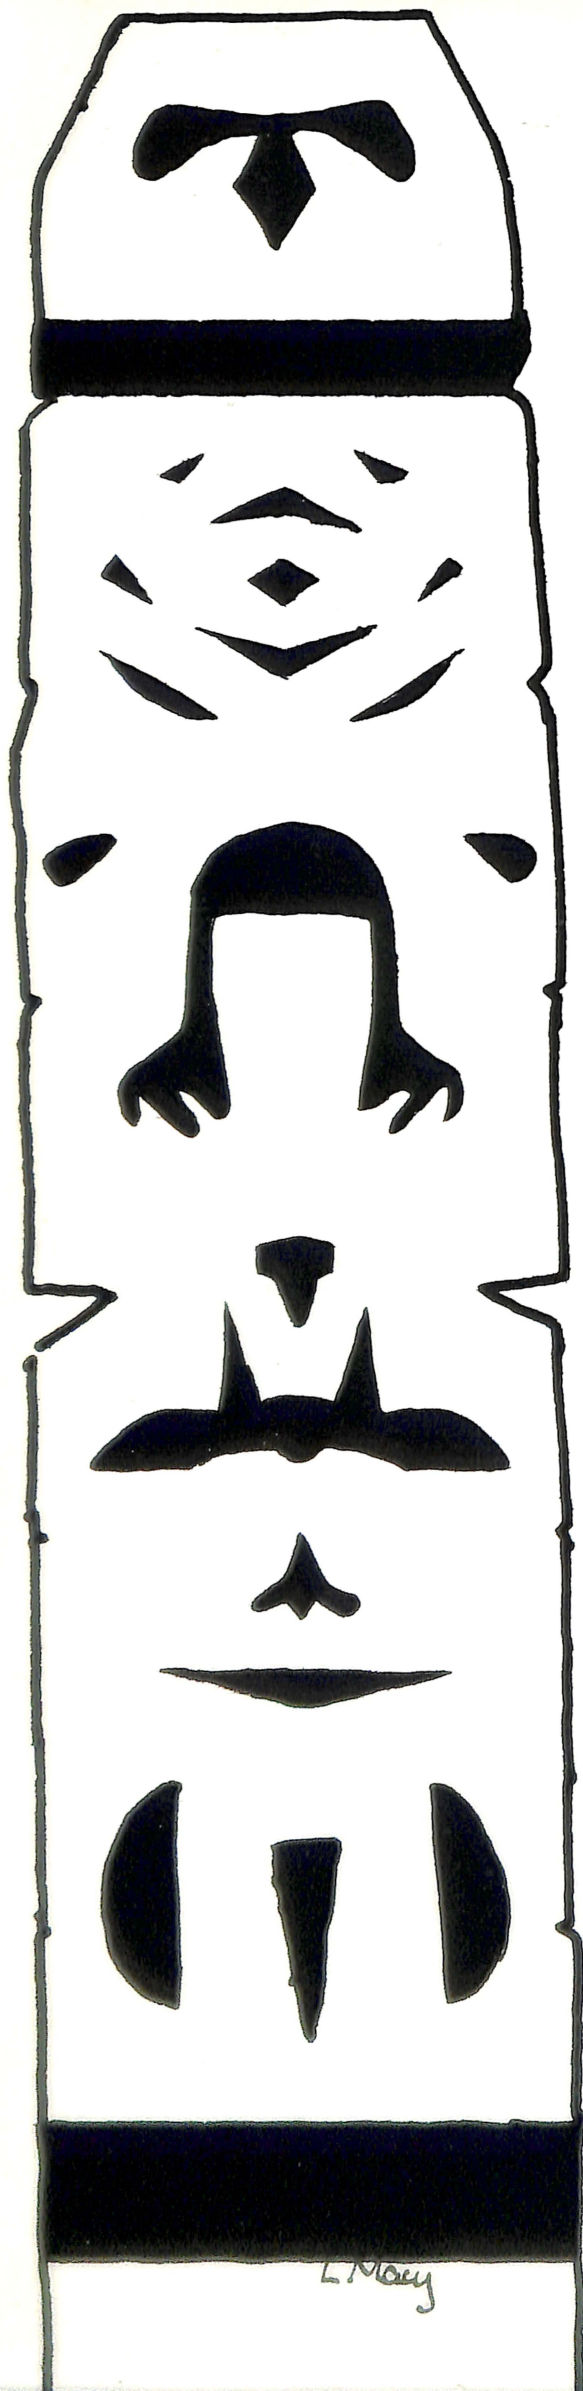

The annual spirited exchange rallies between Armijo and Vacaville High proved a great success at both schools.

The crowning of Basketball Queen, Sandy Nygard by Stan Harris, A.S.B. President, highlighted the traditional "Basket-Ball" dance.

HONORS, scholastic and social, earned by members of the Armijo student body, add a touch of distinction to our totem pole as they bring acclaim to the honored individuals, the faculty and entire school.

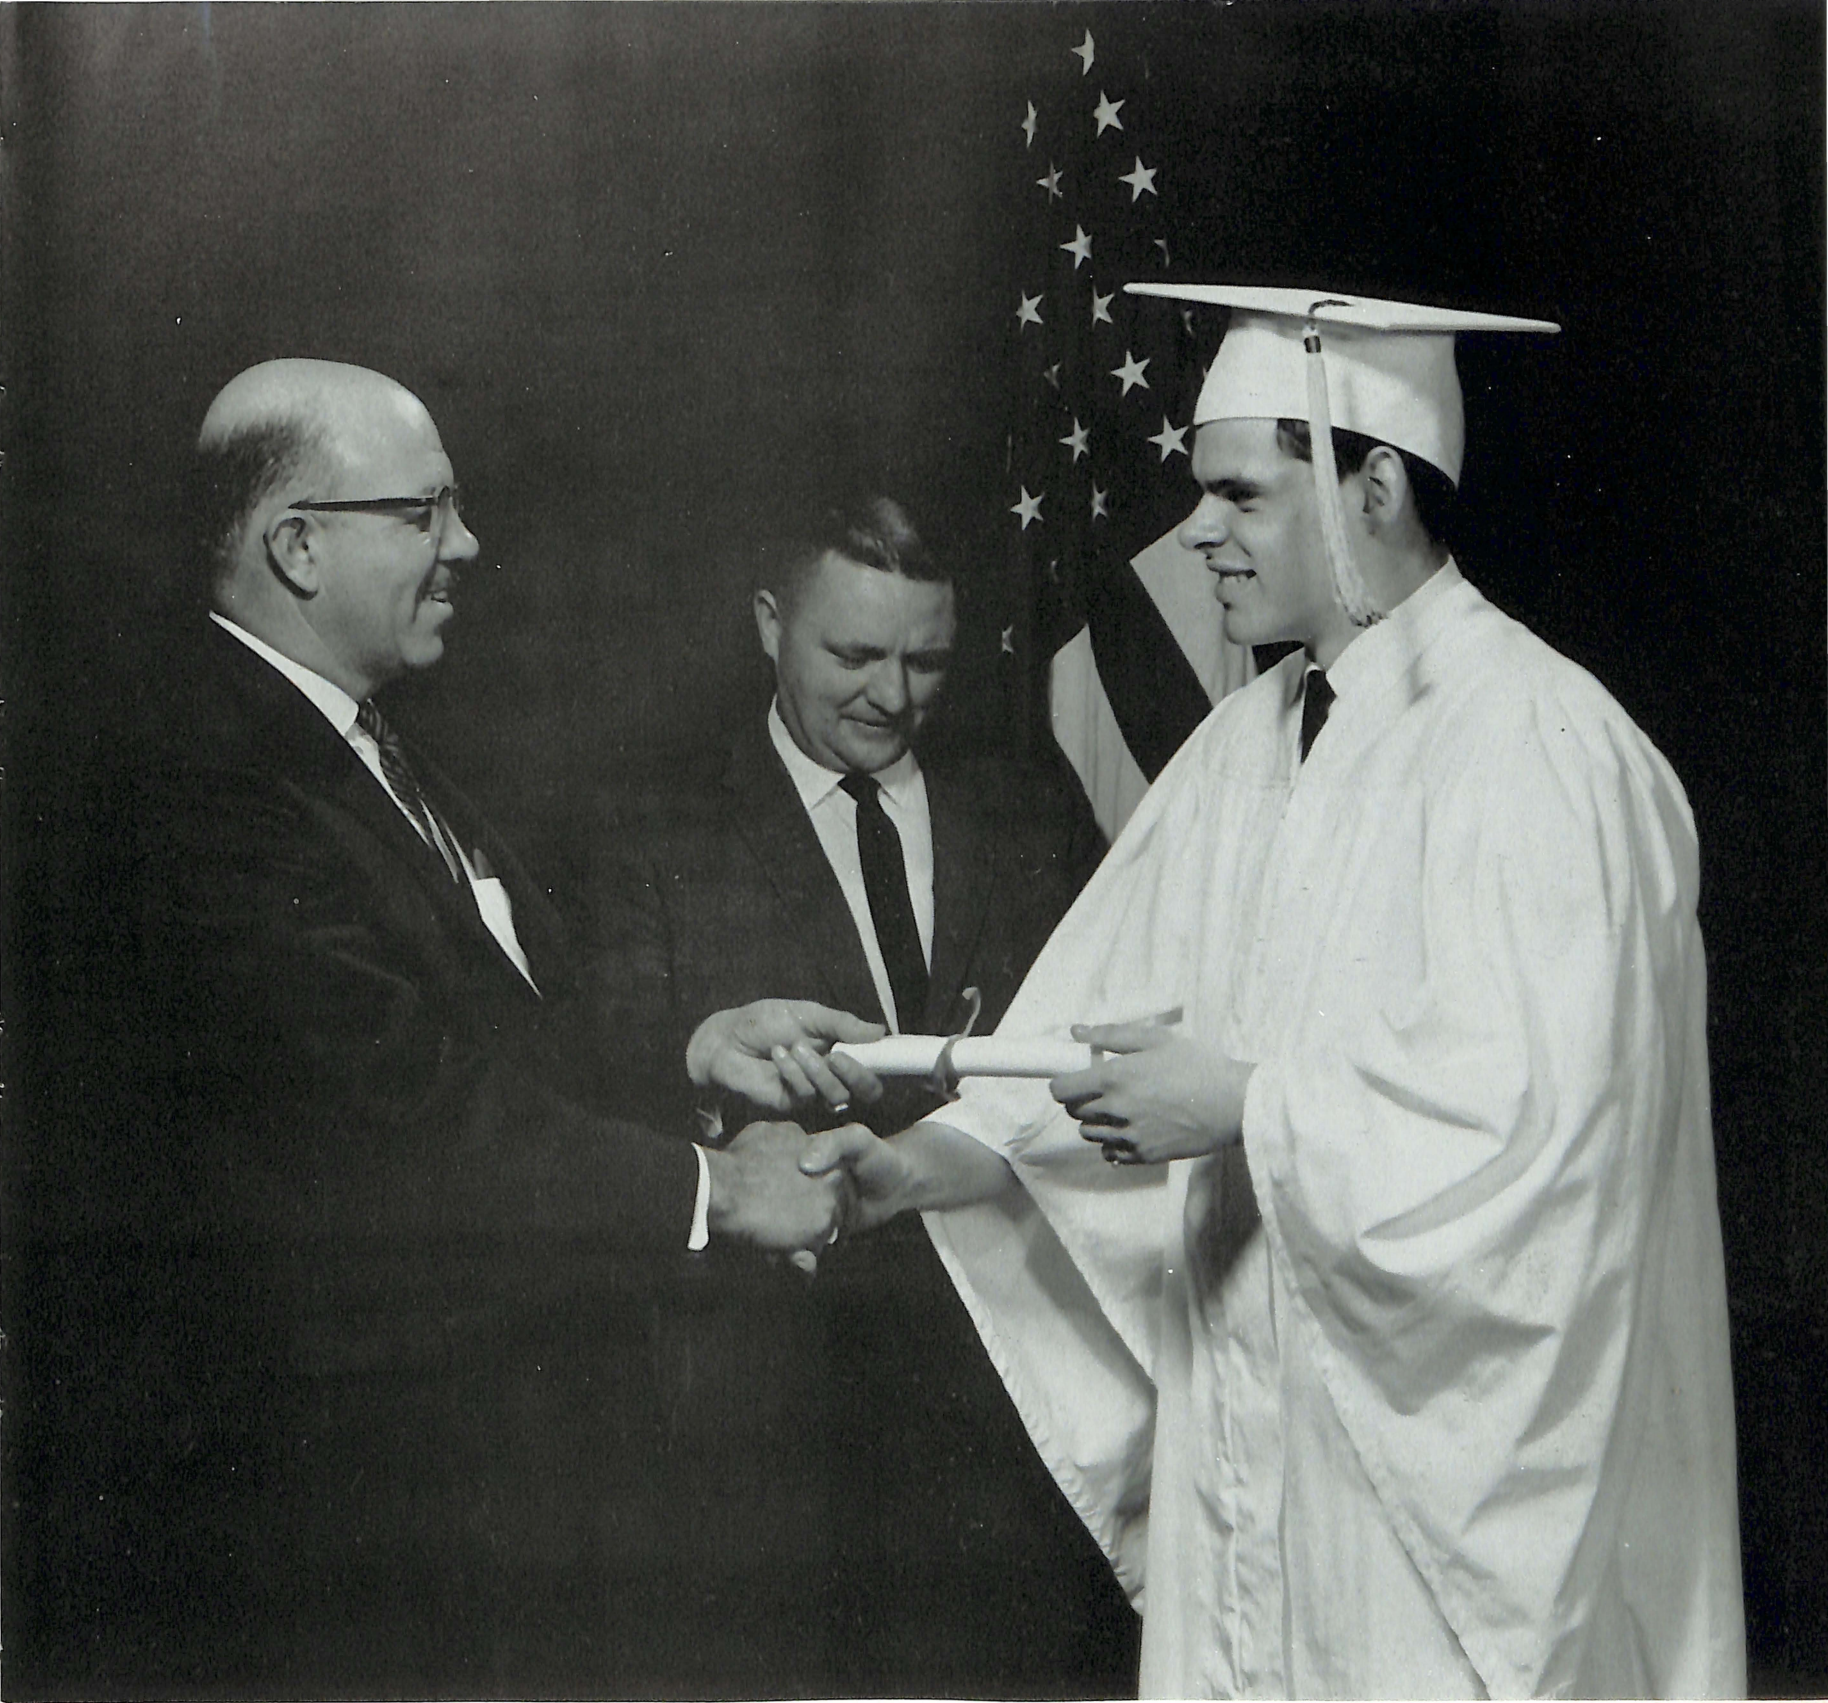

Bestowed by local merchants, the monetary scholarships aid the recipients in acquiring further education. Scholarships and honorable mentions from nation-wide tests laud intelligence and ability, while the titles and honors bestowed upon select girls, praise their character, personality and beauty.

Our foreign exchange student, "Scratch," was honored for both intelligence and personality in being selected an American Field Service Foreign Exchange Student.

This year the La Mezcla also honors the top one per cent of the senior class as being outstanding students.

Each of the honors in this section was earned on a competitive basis with recognition given only for true worth. The students honored; therefore, are of high ability and pleasing personalities: a true asset to Armijo and the story of this year.

HONO ACKNOW

RS AND LEDGEMENTS

Homecoming, the biggest event of the year in the minds of Armijo students, presents a special opportunity for Alumni to revisit their Alma Mater. Weeks of preparation go into the presentation of Homecoming each year. The weeks are rewarded when the big day arrives with the rally, parade, game and crowning of the queen and her court. This year we proudly present our Homecoming Queen for 1964, Miss Mary Jo Baldetta.

Mary Jo, active throughout her high school career, now serves as one of Armijo's Varsity Cheerleaders. She enjoys sewing and knitting as hobbies and contributes to the spirit of the Armijo Student Body as an active member of the Pep Club and other campus organizations. As Homecoming Queen Mary Jo represents the essence of Armijo's spirit, activities, and social life.

Bank of America Awards are given each year to deserving Armijo Seniors who have B or above average student ratings. As well as good grades each student must possess qualities in leadership, citizenship, character, personality, and the ambition to strive for future success. This portion of the award is the Specific Field or Department award, which includes Agricultural, Art, Business, English, Home Economics, Foreign Language, Industrial Arts, Laboratory Science, Mathematics, and Social Science.

Eleven students have won recognition this year, helping them not only scholastically but personally. These students were chosen by a group of counselors, the principal and department heads. It is a hard and tedious job choosing the right person, as often times more than one student will qualify for the same award, making the decision even more difficult.

In receiving these awards these young adults will be more confident while attaining their future goals and achievements.

General Field awards are considered the most important of all the awards given for scholastic achievement. They are also given by the Bank of America. These awards are divided into four general categories: English, Home Economics, Laboratory Science, and Social Science.

Students picked for these awards are chosen on the basis of grade point average, abilities in leading fellow students, getting along well with others, personality, and the incentive to reach future goals. Students are chosen in the same manner as the Specific Award recipients.

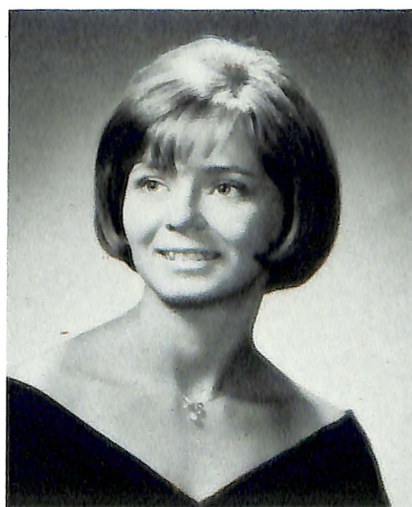

In attaining these awards each individual has come one step further in gaining their future goals and in preparing for a successful and happy adult life.

JOCHEN BLODORN—known as "Scratch" to Armijo students, came to Fairfield through the American Field Service Foreign Exchange Program. He traveled over 5000 miles to attend high school in the United States on the Armijo campus.

He was born in Berlin and at the age of twelve traveled with his parents to Dueseldorf in West Germany.

Jochen states that German students are required to attend school for thirteen years; the last four years may be a trade school, in contrast, the schools in the United States require twelve years of attendance.

According to Scratch, American and German teenagers are similar in their social activities.

Active on the Armijo campus, Scratch aided in the formation of the Alpha Iota, an organization aimed at promoting more interest and enthusiasm in the Foreign Exchange Program within the school and community. He, also, attends student council and plays a drum in the Armijo band.

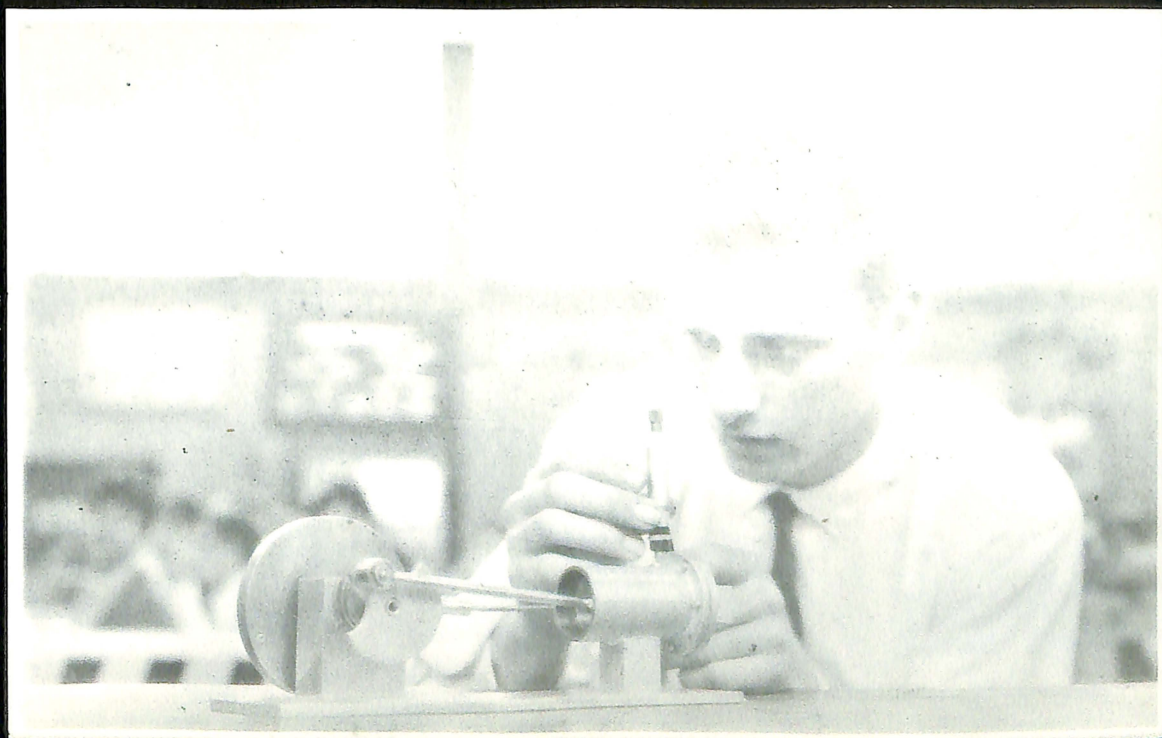

Through his experiences here, we hope he has gained some knowledge of the American way of life, and that he will someday return to visit his "family" the Todds, and his many friends in Fairfield.

SANDY NYGARD is our Future Farmers of America Sweetheart for 1965. F.F.A. Sweetheart was initiated by the Fairfield chapter this year to develop more enthusiastic interest in the Future Farmers of America and the Agriculture program, to create pride and spirit within the chapter, and to have a representative in the State Chapter Sweetheart competition.

Candidates for Sweetheart are selected by a vote of the members, interviewed by the chapter president, and then are voted upon again. The winner, who must be an active junior or senior with at least a C average, is then announced at the annual F.F.A. Banquet held on Saturday of F.F.A. week.

DAVID ELLIOT, Metals III student, designed and constructed this steam engine to be entered in the Industrial Arts Exposition and Awards Program in Sacramento. Here he is giving it a final inspection before presenting it for judging.

LA MEZCLA

Putting together and producing a yearbook that will be excellent in every phase: theme, dedication, scope, creativeness, and completeness was the goal of this year's staff and was not an easily accomplished job. It can not be done by one person, or even a group of people, if they are not hard-working and organized. Luckily, my staff and advisor had all these qualities and many more. We made mistakes. Some of the staff had to learn through the trial and error method. However, as a result of the combined talents and abilities of twenty-seven devoted students and a very patient advisor, Miss Gaile Kenyon, we are proud and happy to present the 1965 La Mezcla. We sincerely hope that this book is enjoyed. It is the product of our wholehearted efforts and is intended entirely for the student body.

I would sincerely like to thank each of the teachers, department heads, office staff, and custodians who aided in the formation of our yearbook, and especially Miss Pedri and the Art Department, Mr. John Creed, Mr. Darrel Anderson, Mr. Mathews, and the Daily Republic.

Advertising

Advertising, and all its phases, has become an important business in America and may be found in numerous phases of everyday life — including the 1965 La Mezcla.

The selling of ads, on the high school level, requires the development of a great deal of tact, ingenuity and genuine interest and is an education in itself. The preparation of the ads for printing requires some artistic talent and a lot of "stick-to-it-iveness."

Yearbook advertising also calls for merchants to purchase the space and to those merchants we are deeply grateful; without them the yearbook would either cost the student \$10 or would not be possible at all.
